

# **Belfast Formidable Sea Cadets**

## **Trustees Report 01/04/2022 to 31/03/2023**

The trustees of the Unit would like to report that the Charity has sufficient reserves to enable it to provide for the Cadets for several years to come.

The trustees are in the process of finding suitable premises to purchase so that they can move out of the current address which is MOD property. Fundraising is underway to provide for this.

The charity continues to recruit as many young people as it possibly can. Numbers have increased from last year. Adult volunteers have also increased.

Cadet training has increased year on year and this year is no exception with a 20% increase in offshore and inshore boating. All in all an excellent performance with the Volunteers who deliver the training to be commended.
