

Squirrel Pack

We have introduced the age range of 5-7 in a new squirrel pack. All is taking time to establish but has been a success to date with leaders and children. we currently have 10 squirrel and 3 leaders.

Beaver Pack

Beaver numbers have drop this year from COVID but we still have a small but active group of 8 Beavers with 3 adult helpers delivering an active programme of arts, crafts, adventurous activities leading to completed badge work.

Cub Pack

Cub numbers are again very strong and a very active group of both boys and girls. Cubs enjoyed activities away, hikes, camping, archery etc. we have currently 25 cubs with 3 volunteer leaders delivering programme each week.

1st Aughnacloy Scouts

During the year we had 5 scouts for another year and 3 leaders.

It has been a difficult year for leaders with return from COVID etc unfortunately we could not get any scouts to attend county events.

We have a fun packed year of activities including, board games night, crafts, cooking, Canoeing night & outdoor camp activities. All these were linked to scout badge work with some obtaining marksmanship, pioneering & fire safety.
