Trustees' Annual Report for the Year Ended 31st December 2023

The Trustees present the Annual Report; Statements of Receipts and Payments; and Assets and Liabilities for the Parishes of Ballymoyer and Belleek for the Year Ended 31st December 2023.

Objectives and Activities

The charitable purpose of the Church of Ireland is the Advancement of Religion.

The principal function of the Parishes of Ballymoyer and Belleek are to support the advancement of the Christian Religion by promoting, through the work of the Parishes the whole mission of the Church: Pastoral, Evangelistic, Social and Ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian Religion, the Parishes of Ballymoyer and Belleek have custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Ballymoyer and Belleek.

Achievements, Performance and Public Benefit

The Parishes of Ballymoyer and Belleek exist primarily, and above all else, as places of Christian Worship. Services of Public Worship are held on each Sunday throughout the year.

Holy Communion is also held on holy days such as Christmas Day, and Evening worship is held to celebrate other Christian Festivals such as Easter and Harvest.

During the week we provide pastoral care and support to people of all ages and at all seasons of life in the Ballymoyer and Belleek areas of County Armagh, particularly through home and hospital visits, especially in times of illness, bereavement, challenge or distress. We support mission and outreach work in this country and overseas by providing financial assistance.

Each Sunday from September to June Sunday School is open to all children in the parishes between the ages of 4 and 14.

We have mitigated any potential harm from the activities by upholding the standards of the Church of Ireland's Child Protection Policy – "Safeguarding Trust" which includes a risk assessment of Rooms, Buildings, Supervisors and Events.

The Parishes have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure these activities fulfil our objectives and charitable purpose and provide public benefit. Through our activities we aim to contribute not only to the Spiritual Well-Being of people but their Physical, Practical, Social and Emotional needs also. Our activities are open to all and are free at the point of use. There are no fees charged. Our charity is funded by voluntary donations and contributions.

Financial Review

The charity had a Surplus of £3801.69 for the year ended 31st December 2023. This was in part due to our fundraising activities. With the continued support of all our parishioners and friends in the community who

help to support us either by weekly giving, donations or attending our activities we are able to, after paying out all our running costs and charitable donations we are left with a bank balance on the 31/12/23 of £60183.98. Full details can be seen in the Receipts and Payments Account. The Charity aims to retain sufficient reserves to meet its expected future expenditure requirements as well as potential future capital projects.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31st December 2023 can be signed off as a going concern.

Reserve Policy

The Select Vestry's policy is to retain a level of free reserves or general reserves which matches its needs at the current time and in the foreseeable future. The main reason for holding reserves is to ensure that the charity has enough resources to fund its programme and to hold sufficient resources to meet its commitments. The Trustees believe that this reserve policy is both responsible and prudent.

Structure, Governance and Management

Governing Document and Constitution of the Charity

The Parish is administered in accordance with the Constitution of the Church of Ireland published by the General Synod of the Church of Ireland. Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity's Trustees.

Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of the General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and Remuneration

The Rector of the Parish's stipend is paid directly by the Parish in accordance with figures approved by the General Synod of the Church of Ireland including the details of office and locomotory allowances.

The Trustees do not receive remuneration, reward or any other private benefit for carrying out their Trustee responsibilities.

Organisational Structure

The Select Vestry is responsible for the day to day management of the Parish. The Select Vestry consists of the Rector, the Church Wardens, the Glebe Wardens and other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the Rector and the Select Vestry members are responsible for making decisions on matters of general concern important to the Parish including deciding how Parish funds are to be applied.

The Select Vestry meets regularly at time fixed by the members. Special meetings may be convened at any time by the Chairperson or the Church Wardens. In 2023 the Select Vestry met six times during the year and the average attendance was 75%.

Compliance and Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on Public Benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives, as well as providing the Public Benefit of religious activities. The expression of the precepts of the Christian Religion through the engagement with the general public and in particular with the disadvantaged, the sick, the elderly and the young to help the Advancement of Religion through all the functions of the Parish holding regular worship, and communicating with and caring for parishioners and others in the community.

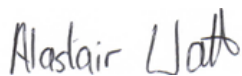

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees Report; and the Statement of Receipts and Payments; and the Statement of Assets and Liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with income of less than £250,000 requires the trustees to prepare a Statement of Receipts and Payments and a Statement of Assets and Liabilities for each financial year.

Notes to the Financial Statement for the Year Ended 31st December 2023

Accounting Policies

Set out above are the principle accounting policies which have been adopted in the compilation of the Receipts and Payments Account (See Statement of Accounts) and the Statement of Assets and Liabilities (See Statement of Assets and Liabilities).

a. Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipt basis. Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable. The value of services provided by volunteers has not been included.

The Parish generally meets its day to day working capital requirements from its annual income and this was the case for this year. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parishes have resources to provide a reasonable expectation that it can meet its financial obligations as they fall due for the foreseeable future. Therefore these financial statements have been prepared on a going concern basis.

b. Statement of Assets and Liabilities

i. Assets retained for the Parishes' own use

The assets of the Parishes, retained for their own use comprise of:

Church Buildings and Graveyards

Parish Halls and Contents

Glebe House and Land

These are deemed to be Heritage Assets as defined by the Charities SORP (FRS 102). These Heritage Assets are included in the statement of assets and liabilities while the information of the cost or valuation is not currently available as such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the Church. However the valuations listed for the fixed assets refers to the 2016 valuation figures.

ii. Investments

Fixed asset Investments comprising investment properties, investment in equities (Ordinary Shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.

Transactions with the Trustees

There were no transactions with the Trustees during the year ended 31st December 2023.

No Trustee or any person related to a trustee had any personal interest in any contract or transaction entered into by the Charity during the year.
