A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We had an average membership of 17 girls during the financial year to 31st March 2023. Over the year, the Guides and Senior Section members had opportunities to work on the new Girlguiding programme and complete a variety of interest badges and awards. We continue to ensure that each girl is challenged to reach her full potential while having fun in a safe girl only space.

There was no harm flowing from the Charities purposes and there was no private benefit.
