STRUCTURE GOVERNANCE AND MANAGEMENT

Governing Document

The charity's activities are governed by Anahilt Primary School Parent Teacher Association Constitution document.

Membership

Members of the PTA are the parents or guardians of any pupil currently attending the school and teaching and non-teaching staff currently employed by the school. The PTA works closely with the school and the Principal and a teacher representative are included in the membership.

Purpose

The purpose of the Association (the Purposes) is to advance the education of pupils in the school in particular by:

- Developing effective relationships between the staff, parents and others associated with the school;
- Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

Public Benefit Statement

The trustees are pleased to report that during the year ended 30 June 2022 the activities of the association continued to provide public benefit as set out below.

Improved relationships between home and school

The benefit which flows from this purpose includes funding for additional resources for the school and links built with the local community. This is demonstrated through having an active PTA that works in partnership with the school and engages parental support. This purpose does not lead to harm. The benefit is for children at Anahilt Primary school

Advancing the education of pupils in the school

The benefit which flows from this purpose includes increased educational progress and attainment of pupils in the school and links built with the local community. This is demonstrated through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding. This purpose does not lead to harm. The benefit is for children at Anahilt Primary school.

Charity trustees (PTA committee members) are also parents at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is provided to all beneficiaries.
