FISHERWICK CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their annual report together with the financial statements of the Charity for the period 1 January 2024 to 31 December 2024.

Objectives and activities

a. Policies and objectives

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, and to its supplementary public benefit guidance on the advancement of the Christian religion.

b. Strategies for achieving objectives

To continue to meet as a community in person or online on Sunday mornings.

To meet as a Kirk Session, Congregational Committee, and various sub-groups to plan for the future.

c. Activities undertaken to achieve objectives

The charity fulfils its objectives by providing benefit to its members and the public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

d. Public benefit declaration

The direct public benefits which flow from the purposes and activities of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral growth and development. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community through pastoral care (including the poor, sick, disabled, and bereaved). The above benefits are delivered by the church ministers, staff, officers of the church and members through public services and a range of programmes and weekly activities. Public access is made known through the use of notice boards, printed material, websites, social media, and online services.

The benefits are demonstrated through regular evaluation of the services and informal and ad hoc feedback from members, their families, and members of the public.

Achievements and performance

a. Main achievements of the Charity

The Rev Andy Galbraith continues to lead the congregation as our minister. He teaches God's Word, administers the sacraments and oversees the work of the Kirk Session and Congregational Committee, in addition to providing pastoral care to those in need.

Andy is assisted by Sheena McIlwrath as our Pastoral Assistant. Sheena provides excellent pastoral care and support to many of our elderly members.

Michael Ferguson, our Youth and Children's Associate, has very much enhanced our engagement with children and young people, encouraging our youth and children ministries volunteers, and developing a vision for leading young people into Christian discipleship.

Michael also liaises with local schools and gets the opportunity to lead school assemblies, engage with Scripture Union in schools, and has led teaching at school residential weekends.

During 2024 we were delighted to partner with two of our local neighbouring congregations (St Brigid's Roman Catholic and St Bartholomew's Church of Ireland) to run a joint Alpha course that gave members of the community an opportunity to explore the Christian Faith. This course moved around all three congregations and developed great relationships between the teams.

In December, Heather Healy was inducted as Deaconess. We are delighted to welcome Heather to Fisherwick and look forward to her ministry with us.

We are very thankful for the many church officers and volunteers (too many to name) who help keep the community of Fisherwick working well. We could not do everything we do without the willingness of so many who volunteer their gifts and time so willingly.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance (continued)

b. Review of activities

Fisherwick's Vision statement is, 'The whole gospel, for the whole person, within the whole church in the whole world'. It is based on the core belief that as disciples of the risen Lord Jesus, the good news of Jesus should impact our relationship with each other, the wider church family, and the wider world.

The Whole Gospel

Through our Sunday services, small groups, and prayer meetings our Minister and visiting speakers have continued to tell us about the love of God and help us grow into mature disciples.

Our special Christmas and Easter services were attended in person or viewed by many online. Many of our elders helped lead and preach during the year and we have been encouraged and refreshed by their ministry. Our Music Director, Neale, the choir, and the praise bands enriched our worship throughout the year, but especially at Christmas and Easter.

The Whole Person

Our Minister, pastoral staff and elders provided pastoral care on an ongoing basis in the local area, nursing homes and local hospitals. Funerals and weddings continue to be a way to offer compassion and care to many at the most important times in their lives.

Much care and love has also been expressed in meeting together through 'Small Groups' and prayer groups and the congregation has been encouraged to contact those they miss meeting on a Sunday morning.

The Whole Church

As a congregation we believe that we are more than the sum of our parts. This means that we value the sense of shared identity and fellowship that exists when we gather Sunday by Sunday as a church family. We also recognise our role as part of the wider church of Jesus Christ. This means we participate fully in the work of the South Belfast Presbytery, we support the south Belfast Foodbank, and we work in partnership with Queen's Chaplaincy and Friends International in reaching out to local and international students who are studying in our district.

The Whole World

We have continued to support Armond and Anace who are working in Peru. We have supported the work there in prayer and financially. We also continue to support our friend Wilfred Abia who started the 'Integrated Health for all Foundation' which helps the poor in the Cameroon.

We have also supported Christians in other countries persecuted for their faith through regular prayer and by financial donations.

c. Fundraising activities and income generation

The charity is principally funded through voluntary donations, bequests and gifts from the congregation and fundraising activities.

FISHERWICK CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The reserves policy of the charity is to develop and maintain unrestricted reserves not designated for a particular purpose at a level equivalent to 6 months incoming resources without prejudicing the ongoing activities of the organisation.

Total reserves held by the charity at the end of the year are £2,805,340 (2023 : £3,064,780) of which £2,280,368 (2023 : £2,471,946) are restricted for a specific purpose, £517,149 (2023 : £585,272) are in unrestricted funds and £7,823 (2023 : £7,562) are endowment funds. £2,280,215 of all reserves at 31st December 2024 are tangible fixed assets held for the ongoing delivery of the Church's charitable activities.

The reserves are needed to meet the operational costs of the Church on an ongoing basis. The primary Indicator of the level of reserves are the expenses of the general fund. During the year general fund expenses were £328,965, further additional expenses of £61,688 were incurred in relation to other unrestricted funds and funds designated for a specific purpose.

As at 31st December 2024, the Charity held unencumbered unrestricted reserves which had not been designated for a specific purpose of £345,173. This amount represents approximately 12 months running costs and the Trustees are satisfied that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding. It is noted that running costs in 2024 were higher than the previous year, in part, due to increased staffing costs, increased utility costs and additional repairs to the Halls.

c. Principal funding and financial performance

The charity is principally funded through voluntary donations, bequests and gifts from its congregation and fundraising activities.

Income from donations and legacies from contributing families and grants totalled £293,408 (£346,586 in 2023).

Total expenditure increased from £538,067 in 2023 to £595,252 due to a charge for depreciating the COP Project building, additional salaries and the increased costs of running the Church building and rising energy costs.

The church recorded an overall deficit for the year of £259,442 (2023 : £162,095).

The General Fund of the church ended the year with a deficit of income over expenditure and transfers of £44,376 and a closing surplus of £48,059.

The main charitable objective of the church is the advancement of the Christian religion and it is considered that all direct charitable costs and support costs are incurred in furtherance of this purpose. Direct charitable expenditure increased from £228,875 in 2023 to £255,860, and support costs also increased from £305,854 in 2023 to £325,593 during the year. As noted, a depreciation charge of £186,178 relating to the COP project and running costs are a part of support costs. The COP project depreciation charge should be anticipated at similar levels in future years as COP additions are depreciated. The COP project is considered by the Trustees to be solely for the purpose of enhancing the delivery of the church's charitable objectives.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Structure, governance and management

a. Constitution

Fisherwick Congregation of The Presbyterian Church in Ireland is a registered charity, number NIC104366, and is constituted under a Trust deed.

b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are appointed under the rules and guidance outlined in 'The Code', which is the Constitution and Government of the Presbyterian Church in Ireland' published by the authority of the General Assembly in 1980, reprinted with amendments 1992, reprinted with amendments 1997, reprinted with amendments June 2019, 2020 and 2022.

c. Organisational structure and decision-making policies

The Kirk Session has the spiritual oversight of the congregation and, as elders/Trustees, is also responsible for the financial aspects of church life. The Congregational Committee has responsibility for the upkeep of the building, general management, and operational financial planning on behalf of the Kirk Session. The elders are ex officio members of Congregational Committee, so the two bodies work together. Both the Kirk Session and the Congregational Committee have a series of 'Ministry Responsibilities' and 'Subgroups' which look after specific areas covering all spiritual and operational matters

d. Vision statement - Fisherwick's values

Fisherwick holds fast to the central beliefs of Christianity as stated (and often used at Communion services) in the Apostles' Creed, which states

I believe in God, the Father almighty, creator of heaven and earth. I believe in Jesus Christ, his only Son, our Lord. He was conceived by the power of the Holy Spirit and born of the virgin Mary. He suffered under Pontius Pilate, was crucified, died, and was buried. He descended to the dead. On the third day he rose again. He ascended into heaven and is seated at the right hand of God the Father. He will come again to judge the living and the dead. I believe in the Holy Spirit, the holy catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting.

As a member church of the Presbyterian Church in Ireland we hold that 'the Word of God as contained in the scriptures of the Old and New Testament is the only infallible rule of faith and practice and the supreme standard of the Church'.

We support and adhere to the Presbyterian form of Church Government and we seek to play our part in the wider church.

At the heart of Fisherwick's own distinctive values is a heritage, a passion and vision which can be summed up in the following statement:

"The Whole Gospel, for the Whole Person, within the Whole Church, in the Whole World".

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Northern Ireland requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

It is my responsibility to:

- examine the accounts under section 65 of the Charities Act;
- follow the procedures laid down in the general Directions given by the Commission under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. that accounting records were not kept in accordance with section 63 of the Charities Act;
2. that the accounts do not accord with those accounting records;
3. that the accounts do not comply with the accounting requirements of the Charities Act;
4. that there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of (enter body here), which is one of the listed bodies.

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

This report is made solely to the charity's Trustees, as a body, in accordance with section 65(3)(a) of the Charities Act (Northern Ireland) 2008 and regulations made under section 66 of that Act. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

FISHERWICK CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

Fisherwick Congregation of the Presbyterian Church in Ireland is an unincorporated Charity, registered with the Charity Commission for Northern Ireland under registration number NIC:104366.

The Charity is registered in Northern Ireland with principal offices at 2 Chlorine Gardens, Belfast, BT9 5DJ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act (Northern Ireland) 2008.

Fisherwick Congregation of The Presbyterian Church in Ireland meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Charity, can be reliably measured.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

FISHERWICK CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.3 Expenditure (continued)

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.4 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Church buildings and manse	- Measured at fair value
Fixtures and fittings	- Depreciated straight line over 4 years
Long-term leasehold property	- Depreciated straight line over 10 years

2.5 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

FISHERWICK CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.9 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
