Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the Select Vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The Incumbent of the Parish stipend is paid directly by the Diocese, which is in accordance with figures approved by the General Synod of the Church of Ireland together with approved office and locomotory allowances.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the Easter Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2020 the Select Vestry met 3 times during the year and the average attendance was 80%.

and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Lower Badoney and Greenan Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Lower Badoney and Greenan Parish.

Achievements, Performance & Public Benefit

The Parish of Lower Badoney with Greenan exists for the purpose of the advancement of the Christian religion in the Gortin area of County Tyrone. To implement this purpose, we provide many services to our local community. Lower Badoney with Greenan is part of the larger Parish of Ardstraw, Baronscourt, Upper and Lower Badoney with Greenan, which covers the Gortin, Plumbridge and Newtown Stewart areas. The main function of the Parish is to provide opportunities for parishioners and other members of the community to worship God, Sunday by Sunday. To this end, the Parish provides a regular Sunday morning worship service each Sunday at 10.45am in Greenan and 12.15pm in Gortin. This enables members of the community to partake in the sacrament of Holy Communion which is celebrated on the second Sunday of each month, and to be taught from the Bible every Sunday. Of course, our worship is open to anyone who wishes to come, from all backgrounds and all faiths or none. We are, of course, welcoming to those of all races, genders and orientations. In practice the vast majority of our worshippers are from a Church of Ireland background, but our Church welcomes all to the Lord's Table in the sacrament of Holy Communion. On other Sundays the main service is "Morning Prayer" which is a non-sacramental service of readings, hymns and prayers.

Pastoral care is provided by the Rector, assisted by the parishioners. This includes home visits, hospital visits, counselling where needed, and a listening ear where someone just needs to talk. Parishioners and others are regularly remembered in prayer. Pastoral care is provided at times of difficulty e.g. bereavement and at times of celebration e.g. a marriage or baptism. Our Church has an open, welcoming non-judgemental attitude to baptism in that we welcome all who come to be baptised and refrain from attaching conditions to their participation in the sacrament, as some Churches do.

Mission and outreach includes a number of different Church organisations. The Mother's Union is an outreach group comprised of the ladies of the Church (although it is open to men also.) In practice our branch in common with most branches has an entirely female membership. As well as supporting the families of the parish, the Mothers' Union supports the wider community in various ways. Members knit "Trauma Teddies" for use when children are admitted to hospital. A child is given one of the teddies and this can be a comfort to a scared and ill or injured child in the strange and intimidating environment of a hospital ward. Kit bags are also collected and distributed to hospitals containing emergency supplies of necessary items such as toothpaste, soap, etc. These are given to people who have been admitted to hospital suddenly and do not have such items with them. In addition, the Mothers' Union fundraises in support of mission at home and abroad. They provide a contact centre where children of estranged parents can meet with the parent whom they no longer live with in a safe and comforting environment. Mothers' Union provides "Away from it all" breaks or days out for families whose family life is going through a difficult period. The Parish supports a number of orphans financially as part of the Tyrone Protestant Orphan Society. This provides "no strings attached" financial assistance for children who have lost one or both parents. Grants are usually received in August and before Christmas. There is a Confirmation class, which is held on Thursday evenings, either in Gortin or Newtown Stewart. Around a dozen young people attend this group, which is aimed at teenagers and young people preparing for Confirmation in order to share the faith with them and encourage them in this important stage of their life.

Several times each year, the Parish provides a free lunch for seniors and those who are prevented from attending Church due to illness or advancing age. Transport is provided to and from these events free of charge by Church members.

The Parish operates a Charity Shop in partnership with Cancer Focus. This provides many services to the community, not least in providing a place where unwanted items can be reused and resold to the benefit of others. It provides opportunities for people to volunteer their time and talents in the service of the wider community. It also provides a place for people to come and chat and meet other people. And not least, of course, the shop raises a substantial amount of money which supports the work of Cancer Focus. Lower Badoney with Greenan is committed to supporting the work of Cancer Focus.

The Parish is very conscious of the duty of care that we have to those who participate in our events and use our premises. We have a strict safeguarding policy in place which protects our Children's Ministry. This is regularly reviewed and training is frequently available in the Parish. The Safeguarding Policy is reviewed every three years by the Diocesan authorities to ensure that our young people can participate in all Church activities confident of the protection they deserve.

A significant number of people request access to the Parish Records each year. These are held in the Parish Office and can be accessed free of charge by appointment with the Rector. Church buildings can also be accessed at any time by appointment with the Rector or a member of the congregation.

Due to the COVID-19 pandemic, all of the above mentioned activities were suspended from 16 March 2020. Church services moved online and continued online throughout the lockdown, at 12 noon on Sundays and 8pm on Wednesdays. In Church, worship resumed on a restricted basis from July 2020 and continued until Christmas when a further lockdown necessitated the closure of Churches until Easter 2021. It is still not known when the full range of Parish activities will resume.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit in whatever way we can. We hope to continue to do so for many years to come.

Financial Review

Total income of the Parish during the year was £41,103 (2019: £47,567) and total expenses were £34,351 (2019: £41,646) leaving a surplus of £6,752 for the year ended 31 December 2020. The Parish continues to be in a healthy state as at 31 December 2020 with total cash funds of £84,838.

A detailed analysis of parish income and expenditure is set out on page 8 to the financial statements.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2020 can be signed off as a going concern.
