TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2017

The trustees present their report and financial statements for the year ended 30 September 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects as set out in the Memorandum and Articles of Association are to benefit the public through the advancement of education, the advancement of Religion (specifically the Christian Faith), the relief of sickness and advancement of health, the relief of poverty, the advancement of community development and the improvement of the holistic life of communities of developing nations.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

In line with the charity's objects we have participated in the advancement of education, the advancement of Religion, the relief of sickness, the advancement of community development and the improvement of the holistic life of communities in areas of need in South Africa by way of donation to the Sports Academy in George, in Syria by way of donation to the Gospel for Tribal Social Service Society, in Albania by way of donation to the Seed of Hope initiative and in Moldova by way of donation to Youth For Christ Oak House. In relation to our objective to provide the relief of sickness we have chosen to support the work of Leukaemia & Lymphoma NI this year in their research locally.

We continued our initiative launched in Friends' School Lisburn last year where we gave pupils the opportunity to apply for funding to participate in a voluntary trip abroad. We are pleased to report we supported 3 pupils who volunteered with Exodus NI. A donation was made directly to this charity to contribute to cost of the trip for 3 pupils. Expenses for this initiative included the cost of a public speaker who operates as Mulberry Inc Ltd.

As a Board we are committed to supporting the local community in which we also operate in business, this year we chose to donate to the Maghaberry Community Development Trust which is a Trust which supports the ongoing work of the community centre in Maghaberry.

In line with our Grant Funding policy, we met as a Board and decided to support the following organisations who work to advance the Christian religion; Lagan Valley Vineyard, International Christian Embassy Jerusalem, Belfast City Vineyard, Alpha, 24-7 Prayer Ireland and the J33 Trust.

As detailed above in relation to the significant restricted funds, as a Board, we chose to donate funding to Storehouse to support their work with the homeless community in Belfast and initiatives they pioneer to tackle unemployment. We also wished to support a similar initiative led by the Vineyard Church in Norrköping through the work of their iCreate initiative.

Financial review

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The board examine the major risks the charity company faces in its operations and have developed systems to monitor and control these risks in order to mitigate any impact that they could have on the company.

DGO FOUNDATION

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2017

The charity meets on a quarterly basis to discuss opportunities to support and the need locally which aligns with our objectives. We plan to build upon the work we have been doing with Friends School Lisburn, in terms of supporting pupils to participate in charitable projects abroad and continue to consider ways to facilitate internships locally. We also anticipate that the work of Storehouse, with the homeless community in Belfast, will grow and we hope to support this growth in the near future.

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
