**ANNUAL REPORT 1<sup>ST</sup> APRIL 2022 TO 31<sup>ST</sup> MARCH 2023**

The purpose, aims and objectives of the Trust are set out in the Deed of Trust, dated 19<sup>th</sup> November 1999, and the Memorandum of Understanding of the same date.

The public benefit which arises from the purpose is the improvement in the capability of the Scout Groups in South Belfast to fulfil the aims and objectives of the Scout Movement being the development of young people in achieving their full physical, intellectual, social and spiritual potential as individuals, as citizens and as members of their local, national and international communities.

To achieve this the Trust provides funding for identified needs of the Scout Groups and associated sections in South Belfast using income from investments managed by Trustees. Funds are made available upon successful application which must be in line with guidelines set by Trustees. Since the Trust was established following the sale of the District headquarters building which realised £113,916.70, Scout Groups, Explorer Units and individuals have benefitted from funding and support. As of 31<sup>st</sup> March 2023, the Trust Fund had a value of around £182,000.

During 2022-2023, Scouting in South Belfast returned to pre-Covid activities which included indoor and outdoor meetings, camps and special events. The Trust once again supported Scout Groups with a grant of £500 per Section providing Scouting experiences and skills for life. The Trust also supported young people selected to attend the 25th World Scout Jamboree (WSJ) in South Korea, Summer 2023 and three adult Leaders selected for the WSJ International Service Team. A total of £10,300.

The Trustees have continued to meet face-to-face to fulfil the Trust's administrative commitments.
