TRUSTEES' REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

Trustees' Annual Report (Incorporating the Director's Report)

The Trustees present their annual report together with the financial statements of the company for the 01 April 2022 to 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the company's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practices applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Structure, Governance and Trustees

Conway Education Centre which is registered as a charity with the Charity Commission for Northern Ireland, was incorporated as a company limited by guarantee in Northern Ireland, registration number NI030090, with the objective of undertaking charitable activities for the benefit of the inhabitants of Northern Ireland.

Achievement and Performance

In 2022/2023 academic year Conway Education Centre has provided 20 accredited courses (Entry level to Level 2), 17 unaccredited courses, facilitated 4 Diploma courses in complementary therapies, delivered 4 ESOL courses, 3 ESOL Integration projects and continued our successful Homework Club for refugee families. Over 600 students between 8 years of age and 83 years of age accessed education in the Centre.

Qualifications were gained in GCSE English, GCSE Maths, Essential Skills English, Maths and ICT, Fundamentals of Health care, Supporting individuals with Dementia, Social Media and Digital Marketing. Students gained skills and increased awareness in Sign language, Irish history, Spanish conversation, multi-cultural crafts, arts, Indian cooking, stress management and complementary therapies.

Funding was received from 6 smaller non-governmental funders to deliver 3 ESOL language and integration projects. The projects were attended by 47 students and 9 Adult education/language volunteers.

The Homework Club supported 121 children and young people with study skills and homework support.

In 2022/2023 students from 16 different countries attended courses in Conway Education Centre.

Our team of 34 amazing volunteers (Homework Club volunteers, Adult Education volunteers and office/canteen volunteers) helped our staff to deliver these services over the year.

One of our volunteers was honoured to receive Belfast's Older Volunteer of the Year Award

Trustees' Annual Report (Incorporating the Director's Report)

This year has seen an increased demand for our accredited courses such as Essential Skills, especially from the refugee and asylum-seeking community who were unable to access mainstream provision due to its waiting lists and specific entry requirements.

In September 2022 Conway received a learning grant from OCN which enabled us to reduce the student course fee for OCN accredited courses. As finances are one of the main barriers to education, this grant was particularly welcome.

The impact of the cost of living crisis was clear in the second semester; enrolment figures for the non-accredited courses, decreased. Efforts are being made to obtain funding for these courses for the September 2023 semester.

The rising energy costs are of significant concern as the education centre is located in an old Linen Mill. The building has stone floors, high ceilings, single glass windows and no insulation. In order to examine possible energy saving measures, the Centre applied for and received funding to commission a feasibility study into this. Further funding applications (2023/2024) will be needed to implement its recommendations.

Conway Education Centre remains a key member of Belfast Neighbourhood Regeneration Forum and is an active participant in government consultations on developing strategies such as the Refugee Integration Strategy.

Conway Education Centre continues to work in partnership with other education providers such as the Full-Service Community Network (CCMS), Belfast Metropolitan College and the Open University.

We are confident that our quality courses and learner-centred support services will continue to meet the need of our changing community.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Financial Review

The results for the year ended 31 March 2023 are set out on pages 8 and 9 of the financial statements.

The total income for the year ended 31 March 2023 amounted to £226,736

The total expenditure was £227,773 (2022:£229,717)

The Trustees consider that the unrestricted funds of the charity is sufficient and adequate to fulfil their obligations. The charity held £88,486 in reserves at the year end (2022:£82,870).

NOTES TO THE ACCOUNTS

1 Accounting policies

Charity information

Conway Education Centre is a private company limited by guarantee incorporated in Northern Ireland. The registered office is: The Mill, 5-7 Conway Street, Belfast, Northern Ireland, BT13 2DE.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

NOTES TO THE ACCOUNTS (continued)**1.4 Incoming resources (continued)**

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measure reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.

The charity is below the charity audit threshold and therefore is exempt from reporting expenditure on an activity basis. The charity has opted to report by the nature of expenditure rather than on an activity basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Capital	50 years straight-line
Equipment	25% reducing balance

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously

NOTES TO THE ACCOUNTS (continued)**1.9 Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

1.10 Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.11 Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
