The Community Friendship Programme was delivered by a team of volunteers throughout the 2016/17 school year and achieved the objective of re-uniting children that had established friendships during Pre-School Play Group and keeping those early years friendship bonds. The Programme evaluation was wholly positive and as a result, a number of parents have joined this team of volunteers.

Badoney Development Partnership launched their Winter Wellness Programme in the Autumn of 2017. This Programme was part funded by the Public Health Agency through the CLEAR programme. The programme aimed to secure the participation of 108 persons and included:

- Mindfulness Programme
