Trustees Report

Purposes and Objectives of Carnlough Community Association

The purpose of Carnlough Community Association is to advance community development and encourage active citizenship by providing a range of services and programmes which have been highlighted through consultations. The benefits would include the increased development of skills, a better quality of life for the beneficiaries, enhanced independence, reduction of isolation and the provision of a safer and cleaner environment.

Objectives, Activities and Performance

In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission NI's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

During the year we:

- The community office acts as a drop-in facility where local residents can call in and avail of information and the support available.
- Every Friday between February to May and September to December we run a luncheon club where we serve between 45 & 50 meals. The luncheon club ends the year with a Christmas dinner. This is a very important and worthwhile part of our work. This has helped to alleviate isolation and many friendships have been made as a result. For many it is the highlight of their week.
- The bowling club continues to meet every week in the local community centre. This is another great way to meet friends and neighbours while keeping active. Refreshments are provided and there are opportunities to visit other clubs during the year.
- The luncheon and bowling club members also participate in many trips and excursions during the year. Those who attend the luncheon club also enjoy a programme of events such as reflexology, head massages, keep fit, craft and talks from different agencies on crime prevention and mental health issues.
- We also run a very successful summer scheme in August with many local children in attendance. The children enjoy sport, craft, coaching and refreshments.
- We also provide a youth club which has been very well attended. The children play sport, make craft and have an opportunity to get to make new friends over refreshments.
- At Christmas we host a Community Christmas Party, there are stalls, entertainment and refreshments.
- This year we also participated in a garden project where we planted flowers and shrubs.

Financial Review

During the year we secured funding from Mid & East Antrim Council, Awards for All, BBC Children In Need, Halifax, DAERA and The National Lottery Community Fund totalling £39,370.99. We also raised funds through the Youth Club, Summer Scheme, Bowling Club, Funday and other fundraising activities totalling £18,112.45. We also received refunds to the value of £598.00. Our total receipts for the year amounted to £58,081.44. We made payments in total to the value of £72,592.46 leaving us with a bank balance at the 31 March 2023 of £51,055.54.
