## Trustees Report

During the year there was one marriage and 4 baptisms of infants and average weekly attendances have slipped during covid and the average is now 45.

There have been no church outings, but a series of walks were organised in conjunction with our sister church with members meeting at different locations for a walk and a chat.

As our congregation does not have a minister of its own our convenor provides pastoral care on a need's basis visiting in hospital or those who are ill at home and families who have been bereaved.

The Church again made various donations during the year to

PCI United Church Appeal.

Presbyterian Children and young people's Society.

The Royal British Legion.

## Review of Financial Position

Financial performance for the year to 31 December 2022 was again consistent with expectations and a surplus of £17829.00

The Year-end bank balances totalled £107649.

Approved by the Trustees and signed on their behalf by

Philip Crozier.
