ARDBOE

Coyle's Cottage Women's Group

AGM December 2018

Chairperson's Report

I would like to welcome here tonight for our A.G.M.

Again this year we have contributed to various charities with donations to hospitals of baby hats and blankets, all crocheted, knitted and sewn quilts donated to missionary workers.

Shrove Tuesday pancake making was again this year, the charities that benefitted were Air Ambulance N.I and Laurel House, Antrim Area Hospital, two more very worthy causes.

The continuation of our group meetings every Wednesday provides an outlet for the women of our area to take part in various hobbies we have available.

I would like to take this opportunity to thank everyone for their support in all our ventures.

Finally on behalf of our committee I offer our condolence to Gillian on the death of her mother in January.

Mary McCann

Chairperson
