

# **Coyle's Cottage Women's Group**

## **Annual General Meeting**

**Wednesday 20<sup>th</sup> August 2025**

I would like to welcome you all to the Annual General Meeting of Coyle's Cottage Women's Group.

Over the past year, we have talks on different topics such as Chinese Medicine, Reflexology, and Head and Shoulder massages, and a talk from an Occupational Therapist regarding help with mobility issues with the Elderly. We have continued our ongoing support of our local maternity and NICU units by crocheting and knitting small blankets, hats, and cardigans, for the full term and premature babies.

For fundraising for St. Joseph's Young Priests Society, we made Christmas stockings. At Easter time, we had a class on the making of Easter bunnies.

We also continue to meet each Wednesday evening for the coming together of local women to socialize and continue friendships, arrange trips to other craft groups, and going out for meals together often throughout the year.

This year we have a few new members who contribute to our classes by providing new crochet and knitting patterns for the women to learn and enjoy.

I wish to thank you all for your continued support for our group.

**Mary McCann**

Chairperson

COYLES COTTAGE WOMEN'S GROUP

I have examined the accounts of Coyle's Cottage Women's Group, following the  
Direction of the Charity Commissions for Northern Ireland and found nothing that requires  
attention.

WINIFRED HANNA.

3 ANNAGHMORE LANE

COOKSTOWN.

Secretary of Muintirevlin Historical Society.
