Achievements, Performance & Public Benefit

Church services and activities throughout the year resumed following relaxation of COVID restrictions, albeit with strictly controlled measures in place to ensure safety of worshippers. The Incumbent has continued to live stream services on a Sunday morning for those who are still unable to attend on a Sunday morning.

In normal times the church achieves its objectives by the holding of regular religious services and also holding various youth and other activities for the benefit of the local community. The church holds regular public worship services on Sundays and also on Wednesdays and Fridays during other periods within the Christian liturgical calendar. As part of the Church's pastoral care to each church family, Sunday School is held each Sunday during school terms. The Trustees have a child protection policy in place under the control of a Safeguarding Trust Committee.

Outside of the worship services, the church normally engages in several outreach programmes into the local community, through organisations such the luncheon club (for the senior citizens of the parish), pastoral visitations are carried out by the Incumbent and trained pastoral visitors to the infirmed, elderly and bereaved. Visits are also made to nursing homes where prayers are held, hymns sung and bible readings narrated.

The Church also organises an annual fundraising event which is open to everyone in the local community.

The Church Hall is provided for use by other community groups such as Girl Guides, Women's Institute, Mothers' Union and bowling club.

The minister serves on the Board of Governors for Artigarvan Primary School.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.
