## Structure, governance and management

### The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Sessions has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregations. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held at least two or three times each year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

### Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Kilkeel congregation of the Presbyterian Church has been assigned to the Newry Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of the congregation.

### The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

### Objectives and activities

#### Description and Purpose

The charitable purpose of the congregation is the advancement of religion.

Kilkeel congregation of the Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

The congregational mission is the following...  
This is why Kilkeel Presbyterian Church exists...

#### We exist to...

**Know and glorify God, and Produce Christ-like disciples.**  
**Committed to witnessing and showing love to all people everywhere.**

#### Activities and Objectives

The congregation meets for worship every Sunday and visitors are welcome to join. The Sacrament of the Lords Supper is observed on six occasions during the year and all those who have been baptised and who have made a profession of faith in the Lord Jesus Christ are admitted to the Lord's Supper. ### Objectives and activities *(continued)*

#### Mission and outreach

The congregation seeks to reach into the local community with the Gospel. It is engaged in community outreach across the whole community. The Church also takes an interest in work overseas and has a particular interest in Christian work in Uganda.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

The congregation also contributes to the denominations Sunday School project and any other special appeals.

#### Presbytery

The congregation was represented at the regular meetings of Presbytery by our minister and one of the elders. This provides an important link between the congregations and the wider structures of the church.

#### General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June.

The trustees consider it appropriate to hold a minimum of £9,000 in the Property/Building Reserve. The balance at 31 December 2022 was £7,185 (2021 - £16,900).

#### Public Benefit Statement

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions Public benefit requirement statutory guidance.
