Chair's Report 2022- 2023

The AGM was held on 8th November 2022 in school. All committee office holders agreed to remain and were confirmed by membership for another year: Chairperson-Alison Moss

Treasurer- Kapil Puri

Secretary- Lisa Foster

This has been our first full year of running events and meetings in person since Covid and it has been fantastic to return to a more "normal" calendar.

Amazon smile was discontinued in February 2023 and we made the decision to change to Easy Fundraising which gives us a small percentage of all purchase made through the app for a variety of online shops. We have promoted to parents and staff and will review this next year.

The quiz returned this year on 17th November at a new venue of the Ivanhoe Hotel. We had a great turnout and a big thank you to Ms Latimer, Ms Digney and Mr McFarland for compiling questions and hosting the quiz. A successful night all round.

January was a busy month with PTA members serving refreshments at school musical and open nights.

Junior disco in February also returned this year and many roses were sold and tuck shop supplies depleted.

Year 8 induction evening in June was an opportunity to serve more refreshments and recruit some new parent members which was followed up in September by our planning meeting in which we welcomed some new faces.

Even more refreshments were served during another school musical in November and a successful raffle held in the interval.

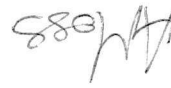

The Halloween junior disco took place on 26th October with a very impressive turnout of pupils from the junior school in fantastic costumes.

Items that have been bought for school by PTA this year have included: yoga mats, football posts, mic stands and magazine subscriptions. We have a healthy balance in the account and would be encouraging school departments to let us know of their requests for funding.

As ever a huge thank you to all our PTA members and Teacher representatives for supporting us through a busy year of events.

Allison Moss

Chairperson
