Notes to the financial statements for the year ended 31 December 2025

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Glebe House/Rectory
- Fixtures and fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the Parish.

The Church Hall was built around 2006/2007 and was officially opened in 2007. It is recognised in the statement of assets and liabilities at its approximate cost of construction. No depreciation has been provided on the Church Hall as its current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The Glebe House/Rectory is recognised at deemed cost, being the capital value placed on the property for Rates purposes. No depreciation has been provided on the Glebe House/Rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are recognised at cost and are depreciated on a straight line basis over a period of 5 years. The Church has set a minimum threshold of cost for an item of £1,000 for it to be considered to be capitalised as a fixed asset.

(ii) Investments

Fixed asset investments comprising Fixed Term Deposit Account Bequests and Representative Church Body (RCB) Investments are initially recorded at cost and are then subsequently stated at fair value at each year end date.
