The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for Christ Church Parish, Trillick for the year ended 31st December 2022.

OBJECTIVES AND ACTIVITIES

The principle function of Christ Church Parish, Trillick is to support the advancement of the Christian religion by promoting, through the work of the Church, the whole mission of the church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Christ Church Parish, Trillick has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Christ Church Parish, Trillick.

ACHIEVEMENTS, PERFORMANCE & PUBLIC BENEFIT

Christ Church Parish, Trillick congregation meets each Sunday morning for a weekly service of worship where faith is promoted and encouraged. This service is open to all across our community and beyond. A Sunday School is organised and runs alongside the morning worship service. There are a number of organisations that provide recreational activities, promote social concern, foster good relations, address the need for social contact, give members a sense of belonging and mutual support, strengthen family life and also gently encourage those involved to consider the relevance and positive aspects of the Christian faith.

We have a strong Girls' Brigade Company who meet weekly providing an opportunity for girls to socialize, learn new skills, earn badges, be involved in wider community life and more. The girls organised a night that combined some of their activities with the local Senior Citizen's Group and sought to serve and socialize with the older generation encouraging connection across the age divide.

Our parish works in partnership with a neighbouring parish in regards to the provision of children's and youth work. Over the year we have started a new Boys' Club that enables boys to meet outside of school yet with friends to enjoy fun and games, a faith element and they learn a new skill each week from the leaders within the club but also from outside groups such as Mountain Rescue Service. A Youth Group meet alternate weeks again to socialize, learn together, enjoy a faith element to the programme and regularly join with other youth groups from other neighbouring parishes.

The Senior Citizen's Group meets weekly providing a time and space for those of the older generation to meet up for social, recreational and educational activities. In the rural context this can be a lifeline for many who perhaps don't see friends much through the week. This group welcomes members from across the social and religious divide.

We have been running a monthly Messy Kids event that caters for primary school children and their families offering a programme of seasonal arts and crafts and a chance for parents to meet up.

The Mother's Union meets monthly and provides an opportunity to socialize, hear guest speakers giving presentations on topical and current issues, trips away and hospitality.

Over the year our parish organised and ran a number of community outreach events including a Curry Night, Quiz Night, Car Treasure Hunt and BBQ, Christmas Community Carol Services, a Victorian Tea Party and more. Attendance at these events was extremely encouraging. Our parish celebrated 150 years since it first opened with a weekend of community events at the end of May which were very well attended and gathered in people from far and wide across Northern Ireland. Throughout the year we also were able to celebrate those high points of the year; these included Easter, Pentecost, Harvest, Remembrance, Advent and Christmas. Alongside these community and seasonal celebrations, we also held baptisms, weddings, and funerals.

Our Midweek Fellowship Group meets weekly to discuss and learn about contemporary issues of faith and consider how that faith can be practically lived out. We have a weekly prayer meeting that meets to pray for the needs of our parish, community, nation and the world.

The parish offered pastoral care to those from within our congregation and if the need arose, from outside too. The pastoral care included home visits, hospital visits, residential and nursing home visits; and the needs ranged from bereavement, illness, isolation, organising baptisms, and issues of mental health.

Christ Church Parish, Trillick is a community of people of faith who support and encourage one another; with particular pastoral care and support for those in hospital, housebound or bereaved, being provided by the rector.

The church is open on request to those who come, sometimes from the other side of the world to trace their family heritage and avail of the archives we keep.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.
