The trustees present the annual report and accounts for Kilskeery Parish Church for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principle function of Kilskeery Parish is to support the advancement of the Christian religion by promoting, through the work of Kilskeery Parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Kilskeery Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of Kilskeery Parish.

Achievements, Performance & Public Benefit

Kilskeery Parish Church plays a prominent role in local community life as it seeks to reach out and engage with the community of which it is part of, as well as welcome in those who connect with any of our Sunday services, organizations, and community events. Kilskeery Parish Church gathers each Sunday for morning worship providing an opportunity for the community to acknowledge the goodness of God and throughout the year to celebrate the times and seasons including Harvest Thanksgiving, Remembrance Sunday, Advent, Christmas and Easter. Services of infant baptism, funeral services and wedding services also feature in our schedule and practice throughout the year.

Kilskeery Parish seeks to engage with the needs of the surrounding community which include spiritual, physical, emotional, social and pastoral. Through pastoral care and visitation, whether that be at home or in hospital, we endeavour to look after and serve our parishioners through the good times and the difficult. There are always a variety of needs to meet and engage with, whether that be bereavement, illness, isolation, organizing a baptism, or a mental health issue.

Through our organizations we endeavour to provide opportunities for people of all ages, young and old and all in between, to socialize and support one another in what can be in rural areas a socially disadvantaged setting. Organizations such as our Senior Citizen's Group addresses such needs by offering a time and space for that older generation to meet up around an activity of two and spend time out of the house and together with others. This group seeks to address many social issues with the surrounding community, particularly among the elderly and more isolated. The social interaction and activities contribute to the physical and mental well-being of this age group across the community divide.

Our children's and youth organizations, which include, Sunday School, Girls' Brigade, Boys' Club, Youth Group, and Messy Kids, all seek to provide our young people with the chance to meet away from school and learn new skills, socialize with friends, enjoy recreational activities, and grow spiritually, socially, and educationally together. There are faithful teams of helpers from our Kilskeery Parish community who give freely of their time, energy and expertise to make all of our organizations run well and in accordance with good Safeguarding policies.

The monthly Mother's Union meeting has been up and going again with members enjoying a variety of activities and guest speakers of local and foreign interest. The group provides an opportunity to meet socially around a cup of tea and supper and share life experiences together.

The Midweek Fellowship Group meet weekly to learn about and discuss Bible themes and consider the practical outworking of the Christian faith. This is framed with tea and coffee and good company.

The Bowling club meets each Friday evening, with interest and attendance from the younger and older generations, both for fun as well as practice and competitions. During the year the club organized a successful competition with teams coming from across Northern Ireland to participate.

All of our community celebrations are open to everyone and it is encouraging to see so many come to attend these special gatherings. Our Community Christmas Switching on of the Christmas Lights is a particular high point with not only a wide spectrum of the community coming along to be part of it, the participation of the Silver Band but also a special visit from Santa bringing a gift for every child. The parish also engages with the community via different events including Community Barbeques, Messy Kids events, Special Event Food Nights, Christmas Concerts and Carol Services in partnership with the local primary school, providing and serving funeral teas, and more.

We were pleased to organize in conjunction with our neighbouring primary school the Queen Elizabeth II, a great community party celebrating the Queen's Platinum Jubilee which saw people from across the community attend and enjoy an afternoon of chat, food, music (supplied by Kilskeery Silver Band), and family games and fun. Our annual community BBQ was postponed after the sad news of the Queen's death, taking place in late September and again drawing in people from far and wide to enjoy good food together and see friends not often met.

Over the year we developed a space for young people to meet in a safe and welcoming environment. This has provided a space for our young people to meet for social, recreational, educational and spiritual purposes and has also proved useful for a number of other initiatives and groups too.

As well as all of the above, members of the Kilskeery Parish are additionally actively involved in other aspects of wider community life e.g. serving on the committee of the Fermanagh Farming Society, the Board of Governors of the local Primary School, Youth Work provision for the diocese and on an all-Ireland level, Young Farmers, cross-community local Business Development Groups, participation in local sports clubs and in a variety of other capacities.

Kilskeery Parish also seeks to be outward looking in not just the local sense but also supports charities such as Operation Christmas Child each year with families and individuals filling their shoeboxes to send off to foreign climes in time for Christmas.

The regular activities of Kilskeery Parish demonstrate that it is engaging with all age groups within the parish itself and also within the wider community. It seeks to meet people where they are and serve the community in which it is placed in whatever way it can. Its organizations and programmes demonstrate that it meets social needs, addresses issues of rural isolation and poverty, provides a selection of opportunities for children and young people and families and endeavours to do so with kindness and generosity.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

Kilskeery Parish Church continues to be in a healthy financial state with income reflecting the generous financial support of the parishioners who enable the life and ministry to continue. The principle source of income continues to be from donations and plate collections, together with receipts from occasional legacies. Kilskeery Parish Church aims to retain sufficient reserves to meet its expected future expenditure requirement as well as potential future capital projects.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2022 can be signed off as a going concern.

- make judgments and estimates that are reasonable and prudent
