They earned 12 badges, including the children in need badge, know myself theme badges and many more. The girls were given the opportunity to help plan activities and outings, including a trim trail nature walk. Overall, the girls had fun while gaining in confidence, learning to share and play with others. Learning how to take the lead and find their voice through circle time. A statement that the Trustees have had regard to

All trustees and volunteers within the section are aware of the importance of the commission's public benefit requirement. The section ensures it is doing this by encouraging membership from all sections of the community. Having an inclusive and supportive environment that challenges girls to be the best they can be. The section gives girls the opportunity to learn and grow in a safe and supportive environment, try new things and learn about themselves. This gives them the opportunity to develop independence, resilience and leadership skills that will benefit them as they move through life.
