A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

During the year on average 12 girls took part. A variety of activities took place to ensure the programme for Brownies was covered. We were still recovering from the pandemic and girls and leaders were still getting used to the logistics of running and organising Brownies. We got back to meeting weekly this year indoors which was great.

New Brownies made their promise and made promise ponds. They had a Half Term Party and enjoyed lots of crafts throughout the year. They planted lovely window boxes with daffodils and violas which they took home to look after to teach the girls to nurture and look after their plants.

In May we celebrated the Queen's Jubilee with a party and had a special visit from Jumping Clay. We made a model of the Queen to celebrate her Jubilee from the Jumping Clay.

At Christmas the girls had a visit to the cinema to watch Matilda and took part in this activity with other members from our District from Rainbows, Brownies, Guides and Rangers. Girls had a great morning meeting with other members and seeing that they are part of a larger organisation.

A great year was achieved and many challenges were taken on including lots of games indoors and outdoors. There was no harm flowing from the Charities purposes and that there was no private benefit.
