A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

During the year on average 10 girls took part. The unit meets weekly. A variety of activities took place to ensure the programme for Brownies was covered. Girls gave suggestions of things that they would like to do which were incorporated into the programme.

We had a Coronation tea party, Brownie Promise Party, Half Term Party

Visit from a Dentist and a Science Night, both these nights were a success and demonstrated to the girls that they can also consider careers in science subjects.

At Christmas the girls had a visit to the cinema to watch "Wish" and took part in this activity with other members from our District from Rainbows, Brownies, Guides and Rangers. Girls had a great morning meeting with other members and seeing that they are part of a larger organisation.

Girls planted sunflowers from seed to look after, had a barbecue and made "Smores"

A great year was achieved and many challenges were taken on including lots of games indoors and outdoors while learning new skills, decision making and working together having fun and learning about mindfulness. Girls have been learning that they can do anything.

There was no harm flowing from the Charities purposes and that there was no private benefit.
