A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We have fully enjoyed having use of the hall for our activities as well to implement our Rainbow Programme to the best of our ability using the resources the church hall provides.

We completed some:

- Baking, life skills – recycling, looking at people who help us and how we can help them, looking at books and their stories as well as constructing things using different materials.
- We also focused on skills builders looking at what influence us and how we influence others, how we can make a change in our local community and how we can be part of a group and how we can help lead scenarios.

No private benefit from any trustee's and was all about the children's experiences.

We currently have 14 girls registered with more enquiries. Children took part in badge work and craft activities relating to their promise badge. We also took part with a district event at Dunluce ~~Canon~~ with other members from Kilbride section.
