The examination included a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also included consideration of any unusual items or disclosures in the financial statements and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

2. That the financial statements do not accord with those accounting records.
3. That the financial statements do not comply with the accounting requirements of the Charities Act (NI) 2008 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.
4. That there is further information needed for a proper understanding of the financial statements to be reached.
