

Lisnaskea Presbyterian Church

Report of the trustees of Lisnaskea Presbyterian church as at 31st
December 2023

Lisnaskea Presbyterian Church belongs to a group of churches known as the Fermanagh Four, namely Lisbellaw, Maguiresbridge, Lisnaskea and Newtownbutler under the charge of the Rev Rodney Beacom.

Services are normally conducted weekly with the exception of the first Sunday in the month when Lisnaskea has no service.

Occasionally the four churches meet together for a joint service on a special occasion. During the summer there are other arrangements which are posted on our notice board.

As we have no children of Sunday school age there is no Sunday school.

The ladies of the churches meet as one group amongst the four churches and have regular meeting except for the summer months.

The church warmly welcomes any person to our services.

The trustees of the church have examined the finances of the church and are content that they are being conducted in an appropriate manner, there being no irregularities found.
