

Verification of Accounts for Maguiresbridge Presbyterian Church for Period ending 31st December 2019

Due to all the concerns and precautions surrounding the Coronavirus situation, our regular Church Committee Meetings have not been held this year, in line with advice issued from Church House and in line with Government Guidelines.

A draft copy of the Accounts was prepared and either emailed to or hand delivered (for those with no email facility) to all members of the Church Committee. The members were asked to study these accounts and if they had any queries, they were advised to speak with Joy Kirkpatrick, the Church Treasurer who is responsible for compiling the accounts.

Church Services resumed in our church building on Sunday 4th October 2020, the Committee were asked to meet briefly with appropriate social distancing in place on Sunday 25th October 2020 to discuss and verify the church accounts.

The following committee members met on the above mentioned date:- Andrew Knox, Joy Kirkpatrick, Elizabeth Armstrong and Allen Rogers. The accounts showed a small deficit of £46.47 (down on the previous year).

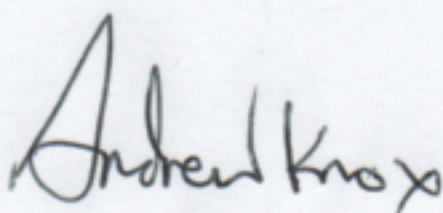

There were no issues raised by any members either prior to or at this brief meeting and it was proposed by Elizabeth Armstrong and seconded by Allen Rogers that these accounts be adopted as a true and accurate record of our churches financial situation for period ending 31st December 2019.

This was passed by all those present.

Report prepared by Mr Allen Rogers

(Church Secretary).

Signed by Mr Andrew Knox

(Clerk of Session & Charity Commission Trustee).
