Re : Young at Heart Accounts for period ended 31st March 2023

Dear Brigid & committee

Please find enclosed Income and Expenditure accounts for the 12 months to 31st March 2023 based on the club records received.

Since Covid I note that this is the first year you have been able to get some group activity back together so I hope that this can continue into the future to get back to prior year levels, as I know Young at Heart is a much appreciated group in the Annaclone Community.

All records have been kept to a high standard even though very little activity during this financial year. The society has a bank balance of £2,749.14 going forward into the new financial year.

I find the attached Income & Expenditure account to be a true reflection of the Young at Heart activities.

Yours sincerely

MICHELLE MCAVOY FCCA
