Structure, Governance and Trustees

Cara-Friend which is registered as a charity with the Charity Commission for Northern Ireland, was incorporated as a company limited by guarantee in Northern Ireland, registration number NI619350, with the objective of undertaking charitable activities for the benefit of the inhabitants of Northern Ireland.

Chief Officer's Report

Cara-Friend has during this, its 50th year of operation, faced a hugely increased demand for all our services, both in terms of face-to-face services and online service delivery, and has continued to meet that demand as well as plan and deliver new services.

Our range of LGBTQI+ frontline service delivery areas now include:

- LGBTQI+ Inclusive Schools' Charter & Education Services
- LGBTQI+ Awareness Training
- Regional LGBTQI+ Youth Services Network
- Trans Specific Youth Services
- LGBTQI+ Pop Up Libraries Project

- Family Support Project
- LGBTQI+ Switchboard / Helpline
- LGBTQI+ Domestic Abuse Support
- LGBTQI+ Community Development Services & Events
- LGBTQI+ Mental Health & Mindfulness Project
- Advocacy, Campaigning, Policy and Volunteering

We have maintained good relationships with key statutory and charitable funders as well as developing a host of relationships with new funders such as Trusts and businesses.

Trustees' Annual Report (Incorporating the Director's Report) continued...**Chief Officer's Report Continued**

Our range of funders has diversified greatly and includes the following, among others:

- Dept of Health
- Education Authority
- BBC Children In Need
- Comic Relief
- Big Lottery Awards For All
- Belfast City Council
- John Moores Foundation
- IBM
- Citi Bank
- Joseph Rowntree Foundation
- Danske Bank
- The Community Foundation NI
- CME Group
- Translink
- Halifax
- Pinsent Masons
- Allen & Ovary

- Dormant Accounts Fund

LGBTQIA+ Youth Services

Cara-Friend continues to provide workshops, peer support, self-development and social meet-ups for LGBTQIA+ young people across N. Ireland as well as delivering initiatives on equality & campaigning, citizenship and other areas identified by the young people themselves.

All volunteers graduate through a Cara-Friend-designed schedule of training with external providers such as Youth Action and Children in Northern Ireland and in-house specialist training to develop competency when working with LGBTQIA+ groups and individuals.

- New staff members and volunteers are acclimatising to the team very well, and are taking this time to get to know the young people in their respective groups - where they already exist
- and establishing connections with youth service providers in areas we have intentions to set up services.
- InfiNitYouth (Cara-Friend's new youth service for Trans, Non-Binary and Gender Diverse children and young people) has grown greatly. The young people attending have great ideas for moving forward with the group and have the makings of the first generation of Peer Leaders. They seem very enthusiastic to make the group their own and to have the ability to shape it to fit their needs and wants.
- Our Belfast Youth Service has restructured to include workshop sessions on Monday evenings and Friday drop-ins once again. However, to ensure age-specific support and relevant information we are developing some age splits and ranges for younger people seeking safe spaces.
- The Youth Team are making efforts to redevelop training for youth workers, balancing social attitudinal change and intercommunity perspectives in a format that will encourage a move beyond 'awareness and tolerance and into 'discussion and celebration' of difference.

Trustees' Annual Report (Incorporating the Director's Report) continued...**Chief Officer's Report Continued**

- Cara-Friend has developed a series of Sexual Health programmes for young people aged 12 - 18 in partnership with YouthAction Northern Ireland. These have been piloted in the following locations; Lisburn YMCA, Reach Across (Derry-Londonderry), Drumgor Youth Club (Craigavon), Enagh Youth Forum (Derry-Londonderry), Bangor YMCA, Saints Youth Centre (Belfast), Omagh Boys and Girls Club, Start 360: N-Gage (Ballymena), Newry Youth Resource Centre and Hillcrest Youth Club (Derry-Londonderry). The success of these sessions, and emphasis on certain areas such as Derry-Londonderry, have shown a significant disparity in awareness of LGBTQIA+ relevant relationships and sexual health provision - as well as a need for safe spaces for LGBTQIA+ young people.

- Additionally, Cara-Friend and YouthAction Northern Ireland have carried out a review of Good Practice Initiatives to support the development of safe sex practices in Northern Ireland. This detailed review document is available for inspection upon request – "SH Lit Review - Working/Design Document".

Chairs statement

N. Ireland is progressing slowly toward a more inclusive, tolerant and accepting Society. Cara-Friend are always pleased to help lead the way with our public campaign coalitions which previously achieved legislative change on Equal Marriage for example and we worked with fellow campaigners and political allies to achieve a Stormont vote to Ban Conversion Therapy.

Our work in public consultations, submissions, forums, representations and advocacy aimed at promoting the Equality and Human Rights Agendas for LGBTQIA+ people of all ages and backgrounds across N. Ireland has also been vital. We have continued to develop a quiet, sometimes behind the scenes relationship with the LGBTQIA+ community's detractors, whereby we can engage and educate rather than relying on protest alone.

We wish to take this opportunity to thank all of our staff, volunteers and Board members who gave of their time, energy, knowledge, skills and expertise to ensure that Cara-Friend maintained the professionalism which has become synonymous with our service delivery.

It is to their credit that whilst remaining absolutely professional, Cara-Friend has maintained and grown our reputation as the organisation which listens to and takes its lead from the LGBTQIA+ community. In many ways we are family to all those LGBTQIA+ people who need us.

Our primary mission must always be to walk beside our service users and community members on their journey to a better and more affirmative N. Ireland wherein they can live happier, safer and more fulfilled lives, based on equality and freedom from prejudice and

We also pledge to do so for all persecuted or oppressed minorities in N. Ireland.

Equality is equality for all.

NOTES TO THE ACCOUNTS**1 Accounting policies****Charity information**

Cara-Friend is a private company limited by guarantee incorporated in Northern Ireland. The registered office is: 23-31 Waring Street Belfast, BT1 2DX.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

NOTES TO THE ACCOUNTS CONTINUED...

1.4 Incoming resources (continued)

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measure reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.

The charity is below the charity audit threshold and therefore is exempt from reporting expenditure on an activity basis. The charity has opted to report by the nature of expenditure rather than on an activity basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and Fittings	15% on cost
Computers	20% on cost

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously

NOTES TO THE ACCOUNTS CONTINUED...**1.9 Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

1.10 Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.11 Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
