STRUCTURE, GOVERNANCE AND MANAGEMENT

PUBLIC BENEFIT STATEMENT

The directors of Lord Enniskillen Memorial Orange Society confirm that they have had due regard for the guidance on Public Benefit by the Charity Commission for Northern Ireland and are pleased to report that during the year the charitable company continued to provide the Public Benefits through programmes and services we offer. In particular, the directors consider how planned activities will contribute to the aims and objectives they have set.

Public Benefits:

Children and families in necessitous circumstances are assisted and poverty is relieved. Families have sufficient resources so that children's welfare does not unduly suffer due to bereavement, sickness or other causes of poverty/hardship, and the care and development of children is not compromised.

The benefits can be demonstrated from feedback from grant recipients and supporting organisations.

Governing document

Recruitment, appointment, induction and training

The directors regularly review the requirements of the charitable company and the possibility of a need for additional directors. Any new directors would be appointed by resolution of a meeting of all the directors passed by a majority of those present. Appropriate training and induction is available to all directors.

Risk management

The directors have assessed the major risks to which the charitable company is exposed, in particular those related to the operations and finances of the charitable company, and are satisfied that systems are in place to mitigate an exposure to major risks. Where appropriate, systems or procedures have been established to mitigate the risks the charitable company faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors. Reserves policy

The charity's policy is to maintain reserves at such a level as limits risks from future downturn in charity income or from increased expenditure in the longer term, including expenditure on fixed assets. This provides sufficient funds to cover running costs which include management, administration and support costs. Free reserves are those unrestricted reserves not designated nor invested in fixed assets which are available for general use. The trustees are particularly conscious that voluntary donations and legacy income cannot be relied on as a continuing and certain source of incoming resources for the future and is also aware of the need to guard against the vagaries of stock market performance.

Funding

The principal funding is from donations and investment income.

PLANS FOR FUTURE PERIODS

The directors envisage there will be no change in the charity's objectives and activities for the foreseeable future.

RESPONSIBILITIES OF THE DIRECTORS

The trustees (who are also the directors of Lord Enniskillen Memorial Society for the purposes of company law) are responsible for preparing the Directors' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in Northern Ireland requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.
