A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

Activities throughout the year included working on the new guiding program and completing various Skill Builder Activities and Unit Meeting Activities (UMAs) along with a couple of interest badges. DofE continues to be popular with a number of girls now working on their Gold level award. One Ranger is also working on her Queens Guide Award, the highest award possible in Girlguiding. This same Ranger has also undertaken a position representing young members on the Ulster Executive Committee.

The unit enjoyed a trip out to "bonzerize" and exercise routine completed on mini trampolines, thoroughly enjoyed by all those taking part

September saw the unit increase to 15, with new members welcomed as they moved up from the Guide section. The Autumn term also saw us taking part in the local Remembrance Day parades and supporting the local BB company at their enrolment parade and service. Autumn term also saw the girls attending a Ranger and Young Leader Prom at Lorne. All dressed up in their finery they joined other Rangers from all over Ulster to enjoy a formal dinner, followed by dancing and mocktails. An overnight stay in the lovely old house in Lorne was completed by breakfast the following morning.

Throughout the year there was no harm resulting from the unit's purposes or activities and there was no intentional private benefit gained by any party.

A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance

In fulfilling the public benefit requirement, the charity trustees have had regard to the Charity Commission for Northern Ireland's statutory public benefit guidance. The purposes of this charity continue to be:

- Educating girls and young women to help them develop emotionally, mentally, physically and spiritually so that they can make a positive contribution to their community and the wider world.

The information below sets out the activities we have carried out to further our purpose and fulfil the public benefit element during the last 12 months. Our beneficiaries: The intended beneficiaries of our charity continue to be the girls and young women who are members of 1st Mountnorris Rangers.

Our services: We provide a number of services to our beneficiaries. Most of these are provided on a weekly basis (when possible), through meeting activities based up and following the relevant Girlguiding sectional program. We also provide guidance to those girls furthering their personal development through the participation at all levels of the DofE program.

A review of the Charity's financial position at the end of the year

At the end of the year the charity is in a very comfortable position with a healthy balance in the bank and in cash. This will enable the unit to pay its subscription charges to Girlguiding Headquarters in February 2023.
