In order to meet its core objectives, the Charity has successfully delivered a range of projects over the period:

The main Big Lottery funded 'Let's Get Together' project continued to be the main focus of the organisation's work. This involved the delivery of different types of support to older people affected by addiction and associated issues such as mental health problems.

Activities include counselling, one-to-one sessions, health and fitness, education programmes, art programmes, trips and visits, and inter-generational work. Activities continue to be delivered on and off-site, including community venues, luncheon clubs and folds.

The annual Aiding Recovery Conference attracted over 120 delegates and 30 organisations, while the Carers Conference also attracted in excess of 60 delegates. The Charity continues to support and develop volunteers through the project.

The Charity has launched a new social enterprise project including Hope Creative, Hope Market and Hope Gallery, and has delivered a range of projects promoting recovery and supporting people to make better choices. This has included the 'Moving in New Directions' (M.I.N.D.) board game for young people, which was delivered to a range of groups.

The Charity also delivered a series of highly successful anti-discrimination events including the launch of a new drama, launch of a new orchestral piece and a series of exhibitions including with The Caravan Gallery. In addition, the Charity delivered a range of creative arts and recovery projects with different groups including young people, women and older people across Mid & East Antrim.

The range of partnerships continues to grow and develop. The Charity is working with Ulster University, Ulster Orchestra, ACT Initiative, Belfast Exposed, Alternatives, BASE and community-based partnerships across Mid & East Antrim. #### **Financial review**

##### ***Policy on reserves***

The Board of Trustees continues to monitor its reserve policy and will strive to meet its target of accumulating three months of the organisation's core activity costs. To achieve this, the Board is implementing a funding strategy which is multi-faceted and which includes the development of social enterprise activity. The Charity also continues to monitor its requirements in relation to redundancy for those staff who are not covered by funding programmes where a designated redundancy budget-line is included.

The strategic report was approved by the trustees of the charity on 20 March 2019 and signed on its behalf by:

#### *Objectives and policies*

The Board of Trustees has conducted its own review of the major risks to which the Charity is exposed and systems have been established to minimise these risks. Significant external risks to funding have led to the development of a dedicated fundraising strategy to complement the new strategic vision and it is hoped that this approach will help to mitigate risks caused by factors relating to income generation. There are a range of policies and procedures in regards to the authorisation of all transactions and projects to ensure consistency and quality delivery of all aspects of the Charity. These procedures are periodically reviewed to ensure they remain valid and fit for purpose.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Ballymena Family & Addicts Support Group (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the charity is not subject to audit under company law, and is eligible for independent examination, it is my responsibility to:

- follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

#### **Basis of independent examiner's statement**

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters:

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. accounting records were not kept in respect of Ballymena Family & Addicts Support Group as required by section 386 of the Companies Act 2006; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; or
4. there is further information needed for a proper understanding of the accounts to be reached.

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

#### **Basis of preparation**

Ballymena Family & Addicts Support Group meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Grants receivable**

## Ballymena Family & Addicts Support Group

### Notes to the Financial Statements for the Year Ended 31 October 2018

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Charitable activities**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Fixtures, fittings & equipment	25% reducing balance
Office equipment	25% reducing balance

#### **Trade debtors**

Trade debtors are amounts due for services performed in the ordinary course of business.

## Ballymena Family & Addicts Support Group

### Notes to the Financial Statements for the Year Ended 31 October 2018

#### Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.
