1. Introduction

This document is the annual report for Rathfriland Reformed Presbyterian Church, Northern Ireland Charity Number NIC106596. This report relates to the calendar year 2022.

2. Purpose

The charitable purpose of the congregation is the advancement of religion.

Rathfriland Reformed Presbyterian Church is a congregation of the Reformed Presbyterian Church of Ireland. The Reformed Presbyterian Church of Ireland exists to honour and worship God and to share the good news of Jesus Christ His Son.

3. Structure

Session

The charity trustees of congregation are the members of the Session, which consists of the minister and one ruling elder of the congregation. In case of vacancy (where a congregation has no minister), an acting minister from within the Presbytery (Interim Moderator) is a member of the Session, though without being a charity trustee.

Elders and ministers are chosen by a vote of all communicant members of the congregation. Election of elders, calling of ministers and transaction of Session business are carried out in accordance with the 'Code', the Book of Government and Order of the Reformed Presbyterian Church of Ireland.

Wider Governance

In the Presbyterian form of church government practised by the Reformed Presbyterian Church of Ireland, each local congregation belongs to a Presbytery. Rathfriland congregation belongs to the Southern Presbytery of the Reformed Presbyterian Church of Ireland. The membership of each Presbytery consists of the active and retired ministers of the Presbytery, along with a representative elder from each member congregation. The Presbytery is responsible for the spiritual oversight of the congregations within its care and meets a minimum of four times per year.

The highest court of the Reformed Presbyterian Church is its Synod, which consists of the membership of all the presbyteries of the church. The Synod meets at least annually to

transact the business brought to it by its constituent presbyteries and Synodical committees.

Committee Members

The committee members are responsible for the temporal affairs of the congregation, including matters related to the finances and property of the church. Committee members are elected by a vote of all communicant members of the congregation and are accountable to Session for their activities.

Volunteers

The congregation relies on the generosity of volunteers in giving their time to assist with a range of activities in the church, including work with children and young people, provision of hospitality, raising the singing and management of the audio ministry.

4. Activities

Public Worship

Within the period covered by this report, Rathfriland Reformed Presbyterian Church has provided public worship services for instruction and devotion, held regularly at 12.00 Noon, which are open to all.

During 2022 our evening services and mid week's have been restricted due the vacancy which existed in the congregation after the retirement of the Rev. Barry Galbraith, the minister for 30 years.

However, this changed at the end of the year with the installation of a new minister, the Rev. Paul Flynn and our normal routine of services was resumed. The Rev Flynn was installed on Friday the 9th December 2022 and was attended by members of the Southern Presbytery, members of Rathfriland congregation, friends and representatives from other local churches.

The Lord's Supper has not been observed in the past year due to the vacancy. Participation is open to all who have been baptised and who make a credible profession of saving faith in the Lord Jesus Christ.

Pastoral Work

For the majority of 2022 home visitation was limited but regular contact was made by telephone.

Denominational Activity

Representatives of the church Session attended Presbytery meetings regularly, and the annual denominational Synod.

Contributions were made to central Synodical funds for general expenses (such as training of ministers and youth work).

Outreach and Mission

As noted above, nationwide and overseas mission work was supported financially through contributions to denominational funds (Reformed Presbyterian Missions).

Financial Support

Youth Work

Instruction of children and young people in meetings of Sunday School, Bible Class and church services as well as opportunities for informal fellowship. All leaders and volunteers in the youth work have gone through Access NI vetting.

Church Property

The church property is in good condition after the completion of renovation work and work carried out to meet health and safety and disabled access requirements. Regular cleaning of the meeting house and hall took place, along with upkeep of the church grounds and maintenance as required.

Recordings

The services of worship are recorded and are accessible via CD's. These recordings provide access to the pulpit ministry to those who are unable to attend public worship due to ill health or other circumstances.

5. Public Benefit

Rathfriland Reformed Presbyterian Church meets the public benefit requirement by providing a place for worship (through weekly services of worship and other meetings), by increasing awareness and understanding of religious beliefs (through public preaching from the Holy Scriptures, literature distribution, pastoral counselling and youth work), and by engaging in and supporting missionary and outreach work in the Rathfriland area and overseas.

The work of the church in fulfillment of its purpose does not lead to harm. The only private benefit is for Ministers and others who may receive benefit as a result of their employment. Such benefit is incidental to the work and purpose of the congregation.

The Charity Trustees have had regard to the Public Benefit to the Charity Commission's Public Benefit statutory guidance.

6. Financial Situation
