Public benefits

The direct benefit which flows from this purpose is to promote the glory of God through the holiness of its members, developed by prayer & active co-operation, acting under ecclesiastical guidance, in Mary's and the Church's work of overcoming evil & advancing the reign of Christ. These benefits are evidenced through increased numbers of volunteers & volunteering opportunities, feedback from volunteers & committee involved in events and training and regular evaluation of all work carried out. There is no harm following from this purpose. The beneficiaries are residents within Northern Ireland (Primary Schools, Hospitals, Psychiatric Hospitals, Homes for the elderly & the general public). A private/personal benefit may arise to committee members who may from time to time avail of training programmes in matters such governance, but this is necessary for professional standards to be maintained to carry out the work of the Legion of Mary and ensure the benefit is provided to our beneficiaries.

Risk Management

The members have assessed the major risks to which the organisation is exposed, in particular those related to the operations and finances of the association, and are satisfied that systems are in place to mitigate the exposure to the major risks.

Members Responsibilities In Relation To The Financial Statements

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The law applicable to charities in Northern Ireland requires the members to prepare the financial statements that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year. In doing so the members are required to:

- select suitable accounting policies and apply them consistently;
- observe methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The members are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the necessary legislation. The members are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
