

Trustee Annual Report 2023

Friends of Rossmar School is a Registered Charity in Northern Ireland, NIC 106815. We are trying to raise much needed funds for Rossmar School which is a Special Needs School. The address is 2 Ballyquin Road, Limavady, Co.Londonderry BT49 9ET.

The Trustees are Kerry Manning, Elisabeth Witherow and Audrey Moore.

We meet regularly in Rossmar School and all parents and friends are invited to attend our meetings.

At present we are fund raising for equipment for outdoor play and sensory equipment. We have a Facebook page and promote our events through that as well as text messages to parents and the school website.

We have worked hard fund raising and we have also been very lucky to have been awarded a few grants.

Our aim is to include everyone to help us provide equipment for our children at the school. The local community have been very helpful and supported us in every way possible. Now the school is complete we hope that other groups will be able to participate in visiting us and using our play equipment.

We have no debts and all money raised is being spent on equipment that we can use for years to come.
