SHOPMOBILITY MID ULSTER

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The directors present the accounts for Shopmobility Mid Ulster for the year ended 31 March 2024. This is a company limited by guarantee with no share capital. In April 2016, Shopmobility Mid Ulster took over the assets and liabilities of the unincorporated entity which prior to this date had provided the service now provided by Shopmobility Mid Ulster.

Background

In 2010 a Shopmobility Management Committee was formed to establish a Shopmobility Scheme in Cookstown Town Centre. A number of meetings were held which included key town centre stakeholders and input from a range of Shopmobility experts.

The Burnavon Arts & Cultural Centre, Burn Road, Cookstown was selected as the location to base the scheme. It's a public building which is accessible in a prime town centre location in close proximity to key amenities and services.

In May 2010, funding from the Department for Regional Development (Now Department for Infrastructure) was agreed and the scheme commenced activities in May 2010. Due to increases in demand from members in the Dungannon area, discussions with Dungannon & South Tyrone Borough Council (Now Mid Ulster District Council) took place and a new scheme was launched in Dungannon in October 2013, and located in Ranfurly House Arts & Visitor Centre. In January 2015 the organisation held an Extraordinary General Meeting and renamed the organisation Shopmobility Mid Ulster with 2 brands; Shopmobility Cookstown and Shopmobility Dungannon.

In 2019, the company received funding over a five year period from The National Lottery Community Fund for a new Gobility programme. This will broaden the existing service to a wider area and a greater number of users of mobility scooters and wheelchairs, and continue to address the social isolation and exclusion issues which the company deals with.

In 2024 Shopmobility Mid Ulster re established a Shopmobility service in the town of Magherafelt. There has been growing demand for the service in that area, and the previous service ceased following the sad passing of its long-term coordinator. The addition of Magherafelt now ensures there is Shopmobility service across the entire Mid Ulster District Council area.

Structure, governance and management

The company is limited by guarantee. The company is governed by its Articles of Association which were established in April 2016. These established its current objects and powers. The company is also registered with the Charity Commission for Northern Ireland.

Shopmobility Mid Ulster has a cross-community focus and is managed by a voluntary committee which is elected annually.

The appointment of committee is in accordance with the company's Articles of Association, whereby each member will be entitled to nominate one person only in writing not less than seven days before the date of the Annual General Meeting.

Committee

The committee who served during the year were:

Mr William Mayne MBE	
Mrs Ursula Marshall	
Mrs Brigid Scullion	
Cllr Mark Glasgow	(Resigned 25 July 2023)
Cllr Christine McFlynn	
Mr John McGorry	
Cllr John McNamee	
Cllr Jospeh O'Neill	(Resigned 25 July 2023)
Cllr Anne Forde BEM	
Mr Daniel Kerr	(Appointed 25 July 2023)
Mrs Nuala McLernon	(Appointed 25 July 2023)

SHOPMOBILITY MID ULSTER

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Objectives and activities

The objects of the Charity shall be to relieve the needs of people with disabilities and mobility difficulties in the greater Cookstown & Dungannon areas (the "area of benefit") by providing or assisting in the provision of equipment and other facilities and services with the aim of facilitating independence in daily living activities and improving the quality of their lives and in particular:

- (a) to alleviate the disadvantages of permanent and temporary disability;
- (b) to provide services which facilitate and advance the independence of such disabled persons in daily living activities outside the home environment;
- (c) to enhance the confidence, well-being and enjoyment of life of disabled persons through integration in social activities;
- (d) to relieve the needs of people with disabilities by liaising with other societies, associations or bodies having common or sharing similar interests or objects.

Achievements and performance

Shopmobility Mid Ulster continues to experience unprecedented growth in demand for services across Mid Ulster. Demand for equipment, advice and support was at an all-time high since the organisation was established over 14 years ago. This demand continues to come from various strands of the health service with referrals from minor injury units, Occupational Therapists, Emergency Departments, GPs and others.

As demand for services rises year on year, additional equipment is required to meet the need. During the past year Shopmobility Mid Ulster purchased 3 additional mobility scooters and 8 additional wheelchairs. This equipment is used to meet rising demand and help to ensure the fleet is maintained to a high standard.

The rising demand from users who wish to get out and about more has been growing since the end of the pandemic. The past year was the first full year without restrictions and it was evident with rising demand, the importance that equipment would help to older and disabled people to gain back some of the independence and freedom lost during Covid 19. The demand for equipment rose by almost 25% year on year with bookings totalling 16,000 across the year. The demand is staggering and growing and although all our users have health related conditions, approx. 35-40% of our referrals come directly from Healthcare professionals, Minor Injury Units, Emergency Departments, Occupational Therapists, Physio Departments, and G.Ps.

Long-term borrowing and bridging gaps in Health requirements have led to the continued growth from long-term borrowing of wheelchairs and scooters. Over the past year closer collaboration with Health Care Professionals has brought about an increase in referrals from local hospitals, Occupation Therapists and Social Workers, as the project continues to bridge the gap in waiting times for equipment. Broken limbs, amputations and cancer patients have all been referred by medical professionals on a regular basis to borrow Shopmobility equipment whilst waiting on NHS equipment.

There has been a growing demand for additional support services, signposting and referrals since the end of the pandemic. Many new users who have little or no support structures in place, are reliant on getting information on disability and older people help and support. This has continued to grow over the past number of years.

2024 also saw the introduction of a new service area, with the addition of a new scheme in Magherafelt. Located within the Meadowlane Shopping Centre, it will provide a service to the local town and surrounding towns and villages.

Financial review

The main funder continued to be the Department for Infrastructure. Shopmobility are required to generate match funding to cover expenditure not funded by Dfl which they have been able to do successfully.

SHOPMOBILITY MID ULSTER

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

The committee will continue to conduct annual reviews of the appropriate level of unrestricted reserves. The purpose of this reserve is to provide stability for the charity to ensure that it is able to honour existing contractual obligations, to cover unforeseen events beyond the organisation's control and to enable it to continue its operations in the unlikely event of a significant fluctuation in expenditure or income.

The committee aim to build reserves to at least 3 months of annual expenditure. This may be achieved by increased fund raising, increasing earned income or reducing expenditure.

The present level of Unrestricted Reserves available to the charity is £12,788 which is deemed satisfactory.

Auditor

The auditor, David Lyttle + Co Ltd, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

Statement of disclosure to auditor

So far as the Directors aware, there is no relevant audit information of which the charity's auditor are unaware. Additionally, the Directors have taken all the necessary steps that they ought to have taken as Directors in order to make themselves aware of all relevant audit information and to establish that the charity's auditor are aware of that information.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

On behalf of the board

Mr William Mayne MBE

Director

20 August 2024

SHOPMOBILITY MID ULSTER

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 MARCH 2024

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SHOPMOBILITY MID ULSTER

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHOPMOBILITY MID ULSTER

Opinion

We have audited the financial statements of Shopmobility Mid Ulster (the 'company') for the year ended 31 March 2024 which comprise , the balance sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2024 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

SHOPMOBILITY MID ULSTER

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF SHOPMOBILITY MID ULSTER

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report. We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

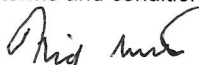

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

We are also asked to confirm that the grant provided by the Department for Infrastructure through the Transport Programme for People with Disabilities, has been used solely for the purposes intended and in accordance with the terms and conditions of the grant and can confirm this to be the case.

SHOPMOBILITY MID ULSTER

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Company information

Shopmobility Mid Ulster is a private company limited by shares incorporated in Northern Ireland. The registered office is Head Office, Unit 47 Dungannon Enterprise Centre, 2 Coalisland Road, Dungannon, Co Tyrone, BT71 6JT.

1.1 Accounting convention

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Shopmobility Mid Ulster meet the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accountancy policy note(s). The financial statements are prepared on a going concern basis.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Fund accounting

Unrestricted funds are available for use at the discretion of the directors in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the provider of the funds.

1.3 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Investment income is included when receivable.

Any income received by the charity in advance of the due date upon which it becomes receivable is deferred until that due date.

SHOPMOBILITY MID ULSTER

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.4 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and machinery	20% straight line
Motor vehicles	20% reducing balance

1.6 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

SHOPMOBILITY MID ULSTER

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

1.8 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.10 Government grants

Grants are credited to deferred revenue. Grants towards capital expenditure are released to the income and expenditure account over the expected useful life of the assets.
