A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We have steadily increased number since shut down over covid, we now have 16 girls enrolled. We continue to offer a balanced and varied programme with direct benefit from the guiding programme being education of girls to help them develop emotionally, mentally, physically and spiritually so that they may make a positive contribution to their community and the wider world and develop to their full potential.

This year we have sought to do this through our badge work programme and completed the units on 'being well' and 'know yourself' This came in many forms of craft, cookery, art, fitness, local history and trips to name a few. We also held party nights, carol services, swimming sessions and the most loved one an overnight sleepover with challenges, craft, games all on the theme 'secret agents'

We also completed our 'Ulster Scots' badge, treating parent to an evening of Scottish cèilidh dances.

There was no harm flowing from the Charities purposed and there was no private benefit.

A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance

We confirm that all trustees are aware that the Charity Trustees are legally obliged to have regard to the Commissions Public Benefit requirement statutory guidance

A review of the Charity's financial position at the end of the year

The results for the year are laid out in our receipts and payments account for the year ending 31st December 2023. We do not have a statement of Assets and Liabilities. The increase in funds is primarily due to increase in membership and two education board grants falling in the same accounting period.

Details of any fund held by the Charity that was materially in deficit at the end of the year and steps taken by the Charity Trustees to eliminate the deficit

We have no deficit in our funds for this accounting period. We continue to grow in membership.
