

## 1st Ballykelly Rainbows Report for 2022-2023

The unit had only 7 girls on the books in this year although only 6 girls attended regularly, 2 regular leaders and one leader in training attending as often as she could. We also had on an external young volunteer from the Girls Brigade.

Due to the amount of work completed over the past couple of years, 3 girls ended the 2022/2023 year having completed all 6 Theme Awards and gained their Gold Award. Of the remaining girls 2 had completed 2 Theme Awards and received a Bronze award, and 1 girl had completed 4 Theme Awards and received a Silver Award.

The girls went to a pantomime in December 2022, at the Riverside Theatre in Coleraine, unfortunately Angela was unable to attend due to Covid infection, however Clare, the parent helper and all the girls had a great time.

At the end of the year, we held a gold/promise party which our District Commissioner gave out all the Interest, Skills Builder and Theme Awards and the County Commissioner gave out the Bronze, Silver and Gold Awards.

This concludes the report for the 2022-2013 Ballykelly Rainbows unit.
