

## **DIXON HALL MANAGEMENT COMMITTEE**

### **ANNUAL REPORT 2022**

The Dixon Hall Management Committee met three times in 2022 as we were working hard to get the new lease for the Sea Cadets formulated.

A draft lease had been drawn up incorporating various points of concern to the Sea Cadet and we also had to update the signatories for our Bank Account with the Ulster Bank.

The final meeting in November 2022 saw the signing of the document drawn up by our solicitor, Ms Debbie Mills, and this now gave the Cadets a 20-year lease.

It was also decided at this meeting that the DHMC should resume its twice yearly meetings commencing February 2023.
