

ANNUAL REPORT FOR CHARITIES COMMISSION
N. IRELAND APRIL 2023 - MARCH 2024

This year we continued our face-to-face Meetings, after a two-and-a-quarter year absence due to Covid restrictions. We meet in person on the first Sunday of each month and continue our Zoom meetings on the 3rd & 5th Sundays. These Zoom meetings assist those whose health issues or other personal commitments prevent their attendance in person, as well as to those living further afield who might wish to join us.

Though few in number we may be in terms of formal membership, we also have been attracting an increasing number of visitors many of whom have become regular and welcome attenders, enriching the diversity of our small meeting further. Our annual shared lunch gave us all an opportunity to engage with each other beyond the bounds of formal the formal worship setting and extend that part of our faith that is pastoral and social.

We supported the work of Quaker Service, Irish Quaker Faith in Action, Irish Quaker Faith in Action (Gaza Humanitarian Donation) Ramallah School, Quaker Service Christmas Appeal, Ukraine Humanitarian Appeal and Foyle food bank in Derry.
