

PORTGLENONE THURSDAY SENIOR CITIZENS BOWLING CLUB

CHARITY NUMBER: NIC107209

Chairpersons Report – 6th April 2022 to 5th April 2023

Our charity gathering happens every Thursday. The activities we take part in is bowling and socialising. Many of our members don't have any communication with other people except through our weekly meetings. This enables older members of the community to get out to socialise and exercise all in the one place. These weekly meetings are of vital importance to each member's health and well being.

Once a year our Annual General Meeting is held and attended by all members. After this general meeting there will be one gathering of our members to come together and enjoy a hot meal in the Christmas period. This ensures each one of our members will have a Christmas meal, as many of our members do not have any family to share these occasions with.

Mr Jack Kerr
