

PORTGLENONE THURSDAY SENIOR CITIZENS BOWLING CLUB

CHARITY NUMBER NIC107209

CHAIRPERSON'S REPORT – 6TH APRIL 2023 TO 5TH APRIL 2024

Our Charity gathering happens every Thursday from September to April. The activities we take part in are bowling and socializing. All our members are Senior Citizens and many of them don't have any communication with other people except through our weekly meetings. This enables older members of the community to get out to socialize and exercise all in one place. These weekly meetings are of vital importance to all our members physical and mental health and wellbeing.

Once a year our Annual General meeting is held and attended by all our members. After this general meeting our members can come together to enjoy a hot meal and socialize together.
