Structure, governance and management

The Charity is governed by its Constitution dated 18 April 2018.
The Charity is managed by an Executive Committee which consists of all the appointed trustees, and the selection of any new Trustees is dealt with by that Committee.

Objectives and activities

The Club is established to promote the benefit of young people in the Fountain area of Londonderry and surrounding areas in Londonderry, and to educate and assist such young people through their leisure time activities so as to develop their physical, mental and emotional capacities so that they may grow to full maturity as individuals and members of society and so that their conditions of life may be improved, and in particular to: a) provide facilities, in the interests of social welfare, for education, recreation or other leisure-time occupation, with the object of improving the conditions of life for the said young people. b) Promote capacity-building among young people from the area of benefit who are disadvantaged as a result of their social or economic circumstances in an effort to encourage them to develop confidence, self-esteem, and leadership skills and encouraging a sense of social responsibility.

Cathedral Youth Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

Achievements and performance

After a very busy year Cathedral Youth Club is proud to present an overview of programmes and projects which have taken place over the past year 2024-2025 March 21st, what a special event. Cathedral Youth Club was honoured to be recognised for their hard work and dedication of people who volunteered supporting the Youth Club over many years. The Lord Lieutenant Mr. Ian Crowe presented the prestigious King's Award to the Cathedral Youth Club acknowledging the hard work and dedication over many years. The event was well attended and will be remembered for many years to come. April 2024 we were delighted to jointly organise a Cross Community evening of music in Christ Church of Ireland. Young people and adults in the community took part in the service helping to raise money for two people re a bursary to pay for music tuition. This was a worthwhile cause as some children are talented but cannot afford to pay the fees for music tuition. During the month of April, the Women into Irish History class enjoyed a trip to Letterkenny Museum to research family members who during the Second World War had come across the border to find work. This trip inspired the women to look at their family tree. A new chapter for them encouraging them to get involved in the forthcoming celebrations regarding VE Day. May 2024 Cathedral Youth Club were honoured by visit from Her Royal Highness Princess Anne. A day to remember for the whole community. We were delighted to share our beautiful centre with her Royal highness and introduce her to the many activities which are carried out in the centre. It was evident that the Princess Royal enjoyed the visit as she took time to chat to everyone and shake their hand. What a lovely Lady, certainly the highlight of our year. Jeanette Warke, our Project Manager was delighted to attend the Garden Party at Buckingham Palace. This again was a great honour. The classes are in full swing and well attended by all age groups. Excitement is mounting for the forthcoming summer intervention programme, another milestone in our calendar. June 2024 we are delighted to set up a Mental Health Programme with young adults from action Mental Health and Praxis Care. Working with these two groups opens our club to include people who are unfortunate to suffer from disabilities and other health problems. We welcome SEFF victims Support Group, who continue to use our building re advice and support workshops regarding victims of the troubles. Surestart continues to provide a brilliant programme for babies and toddlers every Monday morning, this also brings new families to the Fountain. We feel it is important to provide a facility for young mothers and their children. July/August 2024 once again we organised very successful Summer Intervention Programme for 84 young people. Although a lot of hard work is involved in planning this programme over a period of six weeks, we feel the outcome is positive and impacts on the lives of young people. September/October 2024 we value our partnership with Foyle Language regarding student placement in the youth club. We welcome their support and commitment to the Cathedral Youth Club. This also helps our young people with learning new languages and cultures. Our Café provides a drop in for people who feel isolated, lonely, and just wanting a bit of company. It is a long day for older people living on their own, so we feel we are giving back to the community by having a place of welcome warm and safe. November/December 2024, of course the young people enjoyed a trip to a Christmas Pantomime. The delight and excitement that the young people displayed during the whole event was a joy to behold. It makes everything so worthwhile when it is evident how so little can make young people happy. As we enter another year, we look forward to another successful and exciting year supporting the young people and the community living in The Fountain Estate.

Financial review

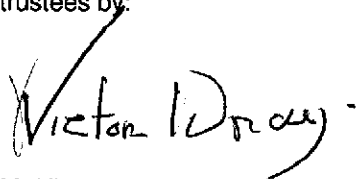

The Charity had a net deficit for the year to 31 March 2025 of £5,924 (2024: deficit £10,068), and at 31 March 2025 had net assets of £31,521 (2024: £37,445)

Cathedral Youth Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

The trustees' annual report was approved on 3 December 2025 and signed on behalf of the board of trustees by:

A handwritten signature in black ink that reads "Victor Wray". The signature is written in a cursive style with a large initial 'V'.

Cathedral Youth Club

Independent Examiner's Report to the Trustees of Cathedral Youth Club

Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Cathedral Youth Club ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by with section 63 of the 2008 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of the 2008 Act; or
4. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

Cathedral Youth Club

Notes to the Financial Statements

Year ended 31 March 2025

1. General information

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 96-98 The Fountain, The Fountain Estate, Londonderry, BT48 6QL.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Cathedral Youth Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Cathedral Youth Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	2% straight line
Fixtures and fittings	-	10% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Cathedral Youth Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Government grants *(continued)*

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Cathedral Youth Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
