Membership: We currently have 45 youth members and 9 Leaders as at 31 August 2022. This will increase with the new guiding year in September and we hope to increase these numbers.

Leadership: We currently have 9 Leaders and hope to increase this number during the new guiding year.

Programme and Unit Activities: This was our first guiding year back holding face to face meetings and we designed our programme so as we were still taking into consideration social distancing and hygiene requirements. We had a varied programme for each section with many girls moving up into new sections. We are particularly pleased with our older Ranger section as we have 7 girls now who will go on to leadership when they are 18 years old.

Equipment: There was no major expenditure on equipment during the year

Trustees: There were no changes in our Trustees.

Conclusion: The Trustees are fully aware of their responsibilities towards the young people in our care, to our leadership team and to the Catholic Guides of Ireland. We ensure that payments are made in a timely manner, the unit it represented at meetings and all our members benefit from a wide range of activities. In the coming year to hope to strengthen our membership as we head back to a sense of normality after COVID

Martina Gallagher
Unit Leader

11. How is the Group doing financially?

A review of the charity's financial position at the end of the year:
In the financial year ended 31 August 2022 the Charity had total income of £3,565 and an expenditure of £3,909.

12. How has the Unit ensured members have not come to harm?

All leaders and parent helpers receive training in Safeguarding, which is renewed every 2 years and are Access NI every 3 years. Leaders are required to attend Step One Guiders Course. Other training is available to leaders such as Step 2 and Advanced Leaders training. A valid Camp Warrant must be held by at least one leader who wishes to take the young people away either indoors or outdoors, this includes doing First Aid which needs to be updated every 3 years. Parents are regularly updated with planned activities. All activities are carefully planned and the appropriate equipment used.

13. How has your Unit ensured that any private benefit to your volunteers has been incidental to the public benefit of your work?

Volunteers gain additional transferrable skills but this is incidental to the work that they do and are the skills that they require to undertake that work.

14. A statement that the Trustees have had regard to the CCNIs guidance on Public Benefit.

We the Trustees of Christ the Redeemer Guide Unit can confirm that in setting our objectives and planning for the year that we have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.
