A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

For most of the year with met with our members via Zoom and delivered activity packs during the year. We held a Halloween and Christmas Party during the year to get all our members back to face to face guiding. We are not back to face to face guiding on a weekly basis and our young members are enjoying themselves meeting up with their friends again.

There was no harm flowing from the Charities purposes and that there was no private benefit.

A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance

In setting our objectives and planning our activities for the year the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.
