REPORT OF THE TRUSTEES FOR THE YEAR ENDING 29 JUNE 2022

The trustees present this report for the year ending June 2022. During this year there was a strong demand for our services, which reflects the growing hardship that the public are suffering.

SUCSESSES AND FAILURES

There is a team of volunteers who go out every week with hot food, warm clothing, sleeping bags, two-man tents and emergency pods.

We have achieved what we set out to do when we opened the charity. The community and the friends of the charity are fully committed to the success of Manna 4 Many. The principal funding of the sources mainly comes from the sales from the charity shop. We would also receive cheques and monetary donations. This enables us to pay our shop rent, electric bill, and water supplies.

One of the successes of the charity has been our team of volunteers. We have some that go above and beyond what they are required to do, and they make the shop a pleasant place to work.

There are no failures to present.

PLANS FOR THE FUTURE

There is a need now more than ever for a charity like Manna 4 Many. For the time being we will continue to do what we can as the need arises. With the unknown situation of unemployment and rise of household bills. The public are turning more to charity shops.
