	Secretary	Mrs Claire Moore
	Vice Secretary	Mrs Cherith Andrews

Structure, Governance and Management.

The Charity's governing document is a constitution.

Objectives.

Improved relationships between home and school. The benefit which flows from this purpose includes funding for additional resources for the school and links built with the local community. This is demonstrated through having an active PTA that works in partnership with the school and engages parental support. This purpose does not lead to harm. The benefit is for children at Kilbride Central Primary School. Charity trustees (PTA committee members) are usually also parents at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is provided to all beneficiaries. The beneficiaries are the children and young people attending the school and their parents and teachers, and also children and young people in the local community. In Advancing the education of pupils in the school. The benefit which flows from this purpose includes increased educational progress and attainment of pupils in the school and links built with the local community. This is demonstrated through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding. This purpose does not lead to harm. The benefit is for children at Kilbride Central Primary School. Charity trustees (PTA committee members) are usually also parents at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefits incidental and necessary to ensure the benefit is provided to all beneficiaries.

Our organisation is made up of a group of elected parents and staff. As a group we strive to ensure that all parents and staff are actively involved in our operation. We do this by regularly updating parents on events and upcoming activities via the school newsletter, school twitter and PTA Facebook. Every year we organise a calendar of fundraising activities and these include family, parent and children only events e.g. pupil discos, annual Christmas fair, school fetes, movie nights

Our activities during this year.

Scarecrow Day

We held a Scarecrow Day which all the children dressed as up scarecrows. We had some very extravagant scarecrows and prizes were awarded for the best 'dressed' scarecrows.

Christmas Colouring Competition

We sold Christmas colouring sheets to the children who really took their time and lots of effort to ensure it was done well. Prizes were awarded to the best colouring sheet in each class.

Christmas Secret Santa Competition

We had great fun with our Secret Santa competition with some really mysterious 'Santa's' which kept many people guessing. Prizes were awarded to 1st, 2nd and 3rd correct entries.

Christmas Santa Drive by

PTA arranged for Santa to drive by with his tractor (his sleigh was being fixed up for Christmas Eve). The children had great fun seeing and waving to him and each child received a selection box and reindeer food for Christmas Eve.

Wear what you love Day

We asked all the children to 'wear what you love' to school for a day. The children really did love it with some very fashionable outfits, and we even had some in their PJ's.

KCPS Bobble Hats

We purchased some branded KCPS Bobble Hats this year so be sold to KCPS families for kids and adults (and proved very popular with our teachers and classroom assistants for the playground duties).

Sports Day

We extended our sports day to include some refreshments with tea/coffee and donuts being served as well as sweetie mix-ups and fun toys for sale which were very popular. The sun was shining, and the day was a great success.

Feel Good Fridays

We decided in June to have non-uniform days with a difference. The kids got to wear what they wanted for the day and received an ice-lolly to make them 'Feel Good' with all their classmates as we reached the end of term.

Colour Run

This certainly got the interest of the kids, all that mess! We had great support from our KCPS families, and some even joined in the fun to be had! It was a colourful display and we had ice-cream to round off the day for all the kids.

P7 Leavers Assembly

A sad but exciting part of the year to see our P7's make the transition to big school. We supplied tea, coffee, snacks and cake for their leavers assembly to help see them on their way. We wish them every success in their new schools.

Unfortunately, our fundraising activities were still restricted somewhat this year, but we look forward to a time when we can resume to normality and have many more good times.

Statement of Thanks.

The trustees wish to express thanks for all PTA members and school staff who have helped with the organising and support of our events and we would also like to say a big thanks to our local businesses who assisted with the sponsorship and donations in making another successful fundraising year for Kilbride Central Primary PTA.
