

### **Objectives and Activities**

The objects of the charity are to improve, clean up and maintain the local Craigywarren area. The charity

aims to encourage residents in the area to clean up and participate in fun days and community events the group are organizing. The charity also seeks to encourage neighbor relations and to bring the community together to try to help reduce social isolation in within our rural area. The main activities taken on by the group are cleaning up the local area and providing community fun days, seniors dinner, kids fun days and trips to the Pantomime.

### **Achievements and Performance**

This year the group held a BBQ during the summer for local residents where we had a local resident who provided the outside catering for the event. It was agreed by all that it was a great event to bring residents together and provide excellent food.
