Secretary's Report

On review of the year ending 31st August 2023, Kilrea Community Early years had a positive year in terms of growth, development and community integration.

The playgroup provided children and families with an holistic environment to develop key foundation educational and social skills.

Highlights of activities/ learning from the year included;

Seasonal activities- Christmas/ Easter/ winter/ spring

Autumn walks

Visit to library and local businesses

Christmas shows

Learning about People that can help us- emergency services, doctors/ nurses etc

Learning and playing together

Children, staff and families were involved in fundraising events to support the service which included a sponsored sports days and raffles. Fundraising helped support the maintenance and service of the playgroup. The main fundraising goal of a sensory community garden continues to be worked towards. Progress has been made with this but it won't be operationally until approx late 2024.

In relation to accounts, funding was received as per norm from EA fees and additional grants.

Income and expenditure accounts were prepared and have been reviewed and agreed by the committee.
